Advertisers Are Responsible For Their Own Ad Content

Issue 300
December 2026

Hi Everyone!

Thank you for reading and advertising in our 300th digital issue. We still receive daily requests for print copies, but rising labor, supplies, and postage costs made printing unsustainable. It is easy to see why so many newspapers and publications have moved online!

Winter storms continue to cause power outages in our area, disrupting both our online and offline work. This weather is expected for the next few months. Plus the holiday mail will slow down mail as well as the post office trying to come up with more money to deliver mail.

We have noticed a few very rude customers. If you get one drop them from your mailing list. Your fellow dealers will appreciate it. Often customers don't remember what they ordered or from whom.

Even if an ad does not deliver the results you hoped for, it keeps your name visible—an important step in building trust. Consistent advertising is essential to becoming known and trusted in this business.

Until Next Issue,

Colleen Kennedy

Why Smart Businesses Advertise with Shore to Shore Magazine

Your Ad Works for Months, Not Days

Most advertisements disappear almost as quickly as they appear. With Shore to Shore Magazine, your ad continues working long after publication. Each issue remains available online for a full year, giving potential customers repeated opportunities to see and respond to your message.

Double the Exposure: Print + Online

Shore to Shore combines traditional print distribution with online accessibility, allowing your business to connect with readers who prefer a printed publication as well as those who search online for products, services, and opportunities.

Exceptional Advertising Value

Every advertising dollar should produce results. Shore to Shore provides both print and online exposure, helping maximize visibility and customer engagement from a single advertising investment.

Reach Buyers Who Are Ready to Act

Readers actively seek business opportunities, products, services, and special offers, increasing the likelihood that your message will be noticed and acted upon.

Build Trust and Recognition

Consistent advertising helps establish credibility and keeps your business in front of potential customers month after month.

Perfect for Small and Growing Businesses

Whether launching a new venture or expanding an established business, Shore to Shore offers affordable advertising that helps reach a broader audience.

Invest in Visibility That Lasts

Advertising is not just about being seen. It is about being remembered. Shore to Shore provides a powerful platform for businesses seeking maximum exposure and long-term value.

Put Your Business Where Opportunity Finds You

Don't let your competitors get all the attention. Join the growing number of businesses that trust Shore to Shore Magazine to deliver visibility, credibility, and results. Advertise today and turn readers into customers.

Why Digital Magazines Are Great

Digital magazines have become increasingly popular because they offer convenience, affordability, and exciting features that traditional print magazines cannot provide. As technology continues to grow, more people are choosing digital magazines as their preferred way to read and learn.

One major advantage of digital magazines is their accessibility. Readers can access magazines instantly on devices such as smartphones, tablets, and computers. This means people can enjoy their favorite magazines anywhere, whether they are at home, traveling, or waiting for an appointment. There is no need to visit a store or wait for a magazine to be delivered.

Another benefit is that digital magazines are environmentally friendly. Because they do not require paper, ink, or shipping, they help reduce waste and conserve natural resources. By choosing digital publications, readers can help support efforts to protect the environment.

Digital magazines also provide an interactive reading experience. Many digital publications include videos, animations, clickable links, and photo galleries. These features make articles more engaging and help readers better understand the information being presented.

In addition, digital magazines are often less expensive than printed versions. Many offer low-cost subscriptions or even free access to certain content. Readers can save money while still enjoying high-quality articles, stories, and entertainment.

Finally, digital magazines are easy to organize and search. Instead of storing stacks of magazines, readers can keep hundreds of issues on a single device. Search features also allow users to quickly find articles or topics without flipping through pages.

In conclusion, digital magazines are a great choice because they are convenient, environmentally friendly, interactive, affordable, and easy to store. As technology continues to advance, digital magazines will likely become an even more important source of information and entertainment for people around the world.

JACKPOT MONEY BLOCKS

Receive up to

$500

from Blocks that range from $100 to $500.

Once you own a Block you own it FOREVER even after you get paid for it OVER and OVER again!

WHY IT WORKS! Owning Money Blocks is better than owning products. Why? Because you still own them after someone buys them. They are always on your original flyer for every buyer you send it to. Hundreds can buy the same Money Block from you. For example, if you own a $100 Block and someone buys it you receive $100. If 10 people buy it you receive $1,000. It goes on and on just like the "Energizer Bunny". If you own 5 Blocks (the limit) you make more. There is no limit on how much you can make.

REMEMBER! Each time someone buys your Block you get paid for it over and over again. If they do not buy your Block, they will promote it for you because it remains on the flyer of each person who does not buy it. They will mail your Blocks. Many people will be mailing your Blocks to hundreds and thousands of people and a percentage of them will buy one or more of your Blocks. It's a win-win situation.

WHAT YOU RECEIVE! A Home Business Direct Mail Kit containing 2 camera ready originals with your name and address listed as owner in each Money Block that you purchase. Plus, a price list of companies that sell mailing lists. Also, a list of "Print and Mail" companies, and 2 mail order reports to guide you in your mail order business.

INSTRUCTIONS: Fill out the Order Form and select (1) to (5) of the Blocks that you wish to buy on the "Buyer" line in each Block you select. Send payment to the name and address of the Block owner with a copy of this flyer. Also, send a copy of this flyer to the Monitor for set-up kit.

Mailing Lists...The Biggest Rip-Off In The Mail-Order Industry! Discover The Deep, Dark Secret Mailing List Companies Hope You Will Never Find Out!

Hello!

My name is Art Lamar Weir and I've had a lot of success in the Mail-Order Business, and now I want to help you succeed also!

In order to help you achieve the kind of success that you desire, obligates me to be totally upfront and honest with you. OK? Alright, I am going to let you in on an insider's secret...most mailing lists being offered today are over-priced, ineffective and a total rip-off!

I learned about the corrupt mailing list companies the hard way...When I first started out in this business, I would send for a mailing list, only to discover too late (after I had already done a mailing) that it was totally worthless - old, over-worked, and nonresponsive names. The fact of the matter is, the individuals selling these junk lists are just crooks out to make a fast buck!

I soon realized that I could never make any real money in mail-order by sending my offers to the pathetic prospects on such horrible mailing lists! I knew there had to be a better way so I began mailing to ACTUAL BUYERS, instead of mailing to people who NEVER BUY ANYTHING. Well, after making this one simple change there was no turning back because my response rates and sales soared!

What about you? Are you tired of getting low or no response to your mailings? Well, it's easy to turn things around so you too, can start making money in the Mail-Order Business...you only need to begin mailing your good opportunities to ACTUAL BUYERS – not Tire Kickers.

The great news is that I am going to make my own mailing list available to you! I know it pulls orders like crazy because I mail to this exact same list myself and I always make money with it. The list is phenomenal because it is a mailing list of names and addresses on peel-n-stick labels of 100% ACTUAL BUYERS! This mailing list is excellent for both Business Opportunity and Network Marketing programs. Although this is truly an exceptionally high quality list, I am making it

very affordable for you. Please be sure to check out the extremely low prices below and order today!

Sincerely,

Art Lamar Weir

P.S. Order within 7 days and I will add 10 Percent more names for FREE – That means you can get up to 1,000 names for FREE!

P.P.S. This Special Offer for FREE NAMES is for a limited time only. In order for you to take advantage of this incredible FREE OFFER you must respond within the next 7 days – No Exceptions!

Use The Order Form Below And Get It In The Mail Today!

STAMP GENERATOR

INCREDIBLE NEW BROCHURE PULLS 25% ORDERS!

The United States Government says there are many Mail Order operators that make $40,000 a year. What they don't tell you is how much of that money went for postage. Stamps can eat up 50 percent of your profits. What if you could eliminate the cost of postage and keep all the money as your profit? Well now you can! The **"FRANKLIN STAMP GENERATOR"** makes this possible for you! You simply send your customer copies of what you receive in the Franklin Stamp Generator. That's all there is to it!

THE BEST IS YET TO COME . . .

THERE HAS NEVER BEEN ANYTHING LIKE THIS BEFORE because this is the easiest and most profitable stamp generator you will ever lay your eyes upon. Now, you have your very own side-line stamp business and work it along with whatever else you are doing with no additional investment in inventory, time or labor.

ALMOST EVERY 4TH CIRCULAR YOU MAIL WILL BRING BACK 50 FIRST CLASS STAMPS. OTHER MAILINGS GET ONLY 2% TO 3% SALES RESPONSE. WE GET BETTER THAN 25% RETURNS.

That is correct. This is the most powerful mailer there is. There has never been anything like this because of its incredible success. A test of your own will show that you will receive at least 25 customers for every 100 circulars that you send out! *Amazing but true.* Now you can *generate an abundance of stamps* day in and day out – all year long.

THE AMAZING "FRANKLIN STAMP GENERATOR"

The cost of the **"FRANKLIN STAMP GENERATOR"** is only 50 First Class Stamps, but it is worth much, much more than that because of its tremendous success. Don't let the small cost fool you. This is an opportunity that you just can't afford to miss. Don't let it pass you by. You won't receive this offer again. This is what you have been waiting for – that is if you wish to **NEVER BUY ANOTHER STAMP AGAIN!**

GET THE STAMPS YOU NEED WITH THIS TAG-ALONG HOME BUSINESS BUILDER.

TRY THIS TEST. Send out 100 circulars a week for a month, that's 400 brochures. You should receive about 100 responses in a steady, never-ending stream. This should bring you 5,000 stamps a month if you only send out 100 flyers a week! The success of the **"FRANKLIN STAMP GENERATOR"** will knock your socks off when you are receiving a cornucopia of stamps every day! **5,000 a month "GUARANTEED"!!!**

THIS IS THE BIG ONE!

SEE HOW ONLY $100 EXPLODED INTO $20,000 IN JUST SIX DAYS

The above is quite a headline and maybe a bit unbelievable, but **IT'S TRUE!** **"It's crazy! My sponsor/upline received over $20,000 in just six days and it is still coming in!" In fact, now up to over $35,000 using this approach!**

He wrote the book called "Unlocking The Secrets To Working From Home" showing where 99% of the marketers, both online and offline, never make any profits! Not only was that shocking and alarming, it made him question what he was doing as a money-seeking marketer.

When I finished reading the book, not only did it divulge the secrets, but it also made sense to me, and gave me the opportunity to put it into action. Check out the recorded hotline number to see how it works!

He took what he did in a similar program and came up with his own program and made it even better. His program is now available called, THIS IS THE BIG ONE. Not only was I shocked, but it confirmed **what I read, in the book, was true!**

Certainly, I am going to recommend you get the book, but even better, you will be able to do what he did and put what you learn into action.

Let me ask you this? If for every $115 that was sent to you, you got to keep $75 of it with the other $40 going to the book owner so who you refer can have the same book. Would that interest you?

What if purchasing the book qualified you for 100% of any upsells the book makes on your behalf? Would that interest you?

What if that same book converted, what you paid for the book, into hundreds and thousands of dollars of CASH sent directly to you? Would that interest you?

Here is the good news! By purchasing the Unlocking The Secrets To Working From Home book, you are going to receive $75 profit for every book that is sold from your efforts. That is only the start! By your reading the book, you are going to learn what most home business marketers are doing wrong, along with the secrets on what they should be doing PLUS you will have the opportunity to put that secret into action, generating tens of thousands of dollars for you in a very short time. **100% Automated System! 100% Proprietary System! 100% CASH Payments! 100% Honest & Truthful! No Computer Required! No Selling required! No Set Up Required! No Fulfillment Required! It's as easy as sending out postcards or flyers and letting them do the work for you! We provide a 100%, done for you, print and mail service as well!**

SEND FOR "THIS IS THE BIG ONE" NOW!

THIS IS THE BIG ONE!

$100.00 PAYMENTS . . . PAID DIRECTLY TO YOU!

99% Of People Trying To Make Money From Home Find Themselves Actually Losing Money!

FREE STAMPS FOREVER!

You May Never Buy Another Postage Stamp!

Postage prices have increased dramatically in the past few years, and your business may be feeling the pinch! Fortunately, I have discovered the way for you to get all the stamps you need - free of charge.

This remarkable system has nothing to do with chain letters, MLM, or pyramid schemes. Please don't confuse it with so-called "free postage" systems that require you to send stamps to names on a list, and then add your name to the list. These schemes don't work, and they may be illegal. I assure you, the system I will reveal to you is completely honest and ethical.

In addition to using this remarkable system yourself, you can make a tidy profit selling it to others. Everyone uses postage, and everyone is a potential customer. (This program has been in use since 1987. You know it must work, or it wouldn't have lasted that long.)

Order today, and I'll send you **two** profitable plans. In case you want to sell the system to others, I'll send you a complete advertising campaign, including sample ads and circulars, PLUS a list of the best places to advertise.

How much would such a system be worth to you? Consider how much you are now spending for stamps for your business per year. Hundreds of dollars? Several thousand? For a limited time I can make this system available to you for only 2 books of First Class postage stamps (40 stamps). ***That's right!*** Only 2 books of stamps for a system that will generate all the stamps you need, as well as give you a profitable income from selling the system to others.

Send only 2 books of First Class postage stamps (40 stamps) and the order form.

Re: The World's Largest Lotto Club!

Dear Fellow Marketer,

Do you love to play Lotto as much as I do? Now you can join the *only* Lotto Club in the world where everyone has a chance to be a winner! When one ticket holder wins...*everyone* wins! No other Lotto Club offers its members this! You could become an *instant* multi-millionaire overnight!

Considering the fact that the Powerball Jackpot is usually MORE than $100 Million Dollars and considering the fact that MORE than 1/3rd of ALL Lotteries are won by members of a Club or Pool, it just makes sense to join "The World's Largest Lotto Club"! Don't you agree?

If that wasn't enough, it gets even better! If you share this opportunity with others, you can play all 3 weekly drawings 100% for FREE! ***No experience* required and *no gimmicks!*** All *you* need to do is mail a simple flyer with *your* name and ID number on it. We take care of *all* the rest!

Here's how it works: When you become a member, you will receive a flyer with your name and unique ID number. When people join from your flyer, you are paid a $50 Fast Start Bonus! With only 3 people joining your team, you are practically playing for FREE!

If you can imagine getting paid from thousands of flyers being mailed by people on *your* team, you can begin to understand the *power* of *this* program! You are also sharing the Lotto Tickets of not just everyone on your team, but *everyone* in the entire program! When one person wins, *everyone* wins!

Income Example: What if *you* signed up only 5 people and *they* did the same through 5 levels deep? You would be looking at *over* $39,000 quarterly! What is even *more* exciting is that *you* would be playing on more than 3,900 Lotto Tickets each and every week! Now *that* is powerful!

Who wants to become a millionaire? If the Jackpot was $100 Million Dollars (almost always more) the lucky ticket holder would be paid $10 Million Dollars! The 5 direct upline members would be paid $8 Million Dollars! That leaves $50 Million Dollars to be split equally with all remaining members!

Do you have more questions? You are invited to join us on our weekly conference calls to get any questions you may have answered. This is where our *top leaders* hang out. Weekly calls are held every Wednesday evening at 7PM Mountain Time. Call: 857-232-0156 Access Code: 183183

We give away CASH! At the end of every call, we have a CASH giveaway! We pull a number out of the *hat* and give away CASH to some lucky caller! The amount of CASH given away depends on the number of people on the call. If there are 100 people on the call, we give away $100! Join me today!

Most Sincerely,

Colleen

Turn Your Chain Letter Junk Mail Into A GOLD MINE!

FREE REPRINT RIGHTS INCLUDED

Earn up to $75 dollars for every chain letter you receive—$25 each name... yet you never mail one yourself! Chain letters don't work and are illegal, but there IS a way you, make money with them...

Millions of people have tried to **"GET RICH" mailing out** those worthless **Chain letters!** Chain-letters are those letters that tell you, you can **earn $50,000 to $200,000 in a few weeks** by mail.

The **typical chain letter plan** goes something like this...There's at least, 3 names and addresses on the letter. You are instructed **to send** a certain dollar amount to each name on the list.

You take the first name off the list, the other two names slide up in no. 1 & 2 spot, add your name in the no. 3 spot. You now must print and mail 100 to 1000 letter copies to new opportunity seekers mail list. **New mailers do the same. Now supposedly 'thousands' of letters with** your name on them are being circulated.

This 'geometric progression' creates a "pyramid!" In theory there should be hundreds of thousands of people sending you money. **Sounds Exciting, right!?**

At first sight, these chain letters seems to be the promise to quick mail order riches, but they just don't work! 99 percent of the people mailing chain letters **LOSE MONEY!** Plus you **can get in serious trouble with the LAW! Postal government police!** When these folks come knocking... Look Out! It's illegal to participate in, and mail out chain-letters. It's deliberate mail Fraud!

But there's a way to make money, legally with chain letters, without you mailing one illegal letter! Everything you need to do this, is in my new **'Chain-Letter Goldmine'** business package. It has all the guarded secret info for you to begin legally making hundreds of dollars in cash, checks and money orders weekly, by mail!

2 FREE Mail SCAM Reports!

When you Order the 'Chain-letter Goldmine' business TODAY, **I'll send you absolutely FREE 2 New exciting, 'Mail Order Scam' reports! This is a time limited offer!** You get, **"The Trouble with Chain Letters!"** and **"Chain Letters are Pyramid Schemes!"** Yours **FREE** and include Reprint-Resell Rights! Make Hundreds weekly selling these eye-opening reports by mail!

What's the valuable info in the new **Goldmine Business package? Let's start with the 21 pages, 3 part special report *'The Chain Letter Fraud Report & 2-part Mail Order Scam Reports'*, 1 *order-pulling personalized sales letter* & 1 personalized *sales flyer with order form*, 1 *sheet of multiple 1 & 2 inch display ads*, and 1 full disclosure *ad/marketing instructions report.*** ***This whole big package includes full 100% reprint/resale rights!***

You can **copy everything** for pennies **and sell the entire Goldmine system** to opportunity seekers for **DOLLARS**. Pull money like a magnet! Make **$25** per order!

Get the 'Goldmine' sales flyer into the hands of prime prospects who are mailing out chain letters. Place your **free** display ads in ad mags and ad-sheets to pull inquiries. Use the sales letter & order pulling flyer as a direct mail package. A complete, ready-to-go copy-n-print business that won't interfere with your other offers.

Make money exposing deceitful chain letter mailers and 'scam' junk mailers! This business is REAL and legal! No fear of Postal cops shutting you down! No risking jail or pricey fines! **Order Today**, get **2** extra **FREE Mail Scam' Reports to sell.** Learn how to make big bucks while shutting down deceitful mailers out to scam beginners and honest mailers! So hurry, this offer is only for **a limited time! Order Below NOW!**

How to Handle Angry Customers

Stay Calm, Even When They Aren't

When customers are upset, remain calm and professional. Your composure helps de-escalate the conversation and creates room for problem-solving.

Listen Before You Speak

Allow customers to explain their concerns completely. Listening without interrupting shows respect and helps you understand the real issue.

Show Genuine Empathy

Acknowledge their feelings with sincere empathy. Customers want to know they are being heard and understood.

Offer a Sincere Apology

A thoughtful apology can reduce tension and demonstrate your commitment to customer satisfaction.

Focus on Solutions

Shift the discussion toward practical solutions and realistic outcomes.

Follow Through

Keep every promise you make. Reliability builds trust.

Know When to Escalate

Involve a supervisor when necessary to ensure the customer receives proper assistance.

Learn from Complaints

Use customer feedback to improve services and prevent future issues.

Final Thoughts

Listen first. Empathize second. Solve the problem third. These simple steps can turn difficult customer interactions into opportunities to build loyalty.

THE BUSINESS JOURNAL

Advertising Remains a Key Driver of Business Profit

By Chaleena | Staff Writer

ROGUE RIVER, Ore. Advertising remains one of the most effective ways for businesses to generate revenue and achieve long-term success. Whether a company is a small local shop or a large corporation, advertising helps attract customers, increase sales, and build brand recognition.

Businesses depend on advertising to make consumers aware of their products and services. Without advertising, potential customers may never learn about what a company has to offer. Through television commercials, radio ads, newspapers, websites, billboards, and social media campaigns, businesses can reach large audiences and encourage people to make purchases.

Advertising also helps create trust between businesses and consumers. When customers repeatedly see a company's advertisements, they become familiar with the brand. This familiarity often leads to confidence in the company's products and services. As trust grows, customers are more likely to buy from the business and return for future purchases.

Another important benefit of advertising is the information it provides. Advertisements inform consumers about prices, sales, discounts, product features, and special promotions. This information helps shoppers make better purchasing decisions.

In today's competitive marketplace, advertising gives companies an opportunity to stand out from their competitors. Effective advertising highlights the unique qualities of a business, helping customers understand why they should choose one company over another.

Digital advertising has expanded these opportunities even further. Platforms such as Facebook, Instagram, YouTube, and Google allow businesses to target specific audiences based on interests, locations, and buying habits.

Advertising also encourages customer loyalty. Regular marketing campaigns keep a business visible and remind customers about products and services they enjoy. Satisfied customers often make repeat purchases and recommend businesses to friends and family members.

Bottom Line: Advertising is important because it helps businesses make money. By increasing awareness, building trust, attracting customers, and driving sales, advertising remains one of the most valuable tools available for business growth and success.

Dear Fellow Entrepreneur,

Let's be honest—your mailbox is probably full of offers promising the moon, and most of them feel like the "same old, same old."

That is the exact reason I am excited to share the enclosed flyer with you.

Instead of asking you to promote thin air, this opportunity puts a real, high-value educational guide front and center: ***"Unlocking the Secrets to Working From Home!"*** written by direct mail veteran Lon Lindsey.

When someone orders through your flyer, **they send the $115 directly to you**. You keep **$85** right off the top and send just **$30** to JAN-L Marketing, Inc. to handle the shipping. No inventory to store, no complicated websites to build, and no waiting around for a commission check.

Don't miss the 10-Day Fast-Start Bonus on the flyer:

If you respond within 10 days and check the box to become a distributor, JAN-L Marketing will pack **100 flyers pre-printed with your distributor info** AND **100 ready-to-mail leads on peel-and-stick labels** right inside your package. You can literally open your box and start mailing the very same day.

Take a look at the enclosed flyer, check the distributor box at the bottom, and let's get you started.

Warm regards,

Colleen
