Here's A 100% Legitimate Way To Get Discount Postage Stamps

Would you like to know The SECRET of HOW To

BUY Uncancelled U.S. POSTAGE STAMPS

See below to Save \$\$\$

for 40% - 60% of Face Value

Did you even know that was legal, let alone possible?

Yes, you can (easily & legally) buy uncancelled U.S. postage stamps for 40% to 60% of face value. That's right! 40% to 60% of face value! You can use them in any way you want. The Editor of this has been doing it for years.

For a limited time only The Editor is willing to share this SECRET with others.

You'll learn EXACTLY:

1. WHERE to buy them
2. HOW to buy them
3. The important things to DO & NOT to do

You always receive the stamps first, then you pay for them. However upon receipt of the stamps you must pay promptly if you want to continue receiving them.

You'll receive:

1. Easy to follow instructions.
2. Your choice of 50% dealership or FULL UNLIMITED REPRINT RIGHTS.
3. A camera ready copy of this flyer so you can earn a big extra income sharing this secret while saving on postage costs.

If you only bought 1,000 stamps at 50% discount with the first class rate at 46 cents, you'd save $1,000 \times 0.46 = 460 \times 0.5 = \230 . At 40% discount you'd save \$184.

Your cost is only \$10 + \$2 p&h with a FREE 50% dealership

or

just \$19 + \$2 p&h with FULL UNLIMITED REPRINT RIGHTS.

Order within 10 days and deduct the \$2 p&h fee.

Prime source will fill \$19 orders for \$9 for dealers who have not purchased full unlimited reprint rights.

**ARE YOU TIRED OF WASTING MONEY ON OLD,
WORN-OUT, UNRESPONSIVE LISTS? THERE IS
A BETTER WAY— TRY THESE PROVEN, PRIME
CHOICE IN-HOUSE BUYERS NAMES!**

It's a fact—the list you choose is the most important part of your direct mail success formula! With so many lists to choose from, all claiming to be "the best", how do you choose the best one? By going right to the source that is actually generating these names! In order to get orders, you need QUALIFIED names! You CAN rely on lists generated by ads in publications catering to the very people you want to reach – like our "PRIME CHOICE" names. These names consistently pull orders for many direct marketing companies, including our own mailings and they can work for you too! .

ACTUAL PRIME SOURCE NAMES!

These are *our own* names. We spend thousands of dollars a month to advertise, compile, update and maintain them. **No middlemen or brokers.** You receive the same names we use in our own mailings! These are actual **CASH BUYERS** that have responded to one of many ads in **DOZENS** of publications, direct mailings and card decks. If you have a home-based, mail order or multi-level marketing opportunity, these names are designed to help you succeed! It's just like you placed your own ads in all the publications – at a fraction of the cost! Our national advertising efforts produce fresh, hungry buyers thirsting for new opportunities. Since we are the **PRIME SOURCE** we can offer these names to you at fair prices. We are a professional direct marketing company, not a "list broker" representing several different companies. This makes a huge difference. You will not find names of this quality for less!

FRESH PROSPECTS!

Our list is cleaned and updated constantly! We get rid of the deadbeats, institutional addresses, tire kickers and curiosity seekers. *We don't want those names, and neither do you!* You get the freshest, cleanest names possible. They are entered into our computer, sorted, merged, purged and scrutinized! Any duplicates or bad names are deleted – *pronto!* You receive names of people that have actually PAID MONEY for a money making opportunity, book, home-based business product or MLM offer within the last 30-60 days. Many of these names are just hours old. These are some of the most responsive, active names in the industry. They are ready for **YOUR** offer! Plus, you'll never receive the same names twice. Also, if you send us a copy of your offer (which we suggest you do) we'll also make sure we don't send the same names to others promoting the same offers!

ORDER WITH CONFIDENCE!

We guarantee these names to be deliverable. Simply return any "nixies" to us within 60 days of purchase and we'll **GIVE YOU UP TO 50¢ FOR EACH NIXIE!** We WANT them back so that we can keep our list **CLEAN** and to make sure you don't waste one penny!

With ANY order, you'll receive a **FREE ISSUE** of *Mail Order Marketing News*, the newsletter for mail order entrepreneurs. It's filled with tips, strategies, scam alerts and secrets to help YOU succeed in mail order! Yours **FREE!** Order 1,000 names or more and you'll receive the exciting seminars "*How To Turn Your Junk Mail Into An Instant Cash Income*" AND "*How To Earn \$1,000 A Week From Your Kitchen table*"! You could be one of the first three to get a top spot by responding immediately! Everybody else has to line up behind those three. But respond only if you're a serious direct mailer . . . no curiosity seekers! And no phones calls or emails please!

WARNING!

Mailorder dealers jumping into cyberspace advertising "crash and burn" faster than the speed of light!

FACT: The internet hasn't killed mailorder . . . It's made it possible for YOU to make a killing in mailorder! Here's how:

As the internet began to grow, most of the top money earners abandoned mailorder for cyberspace. Sure . . . some of them made a fortune. But the internet flood soon became crowded. It's now harder than ever to break in let alone make any profit at all.

When all the mailorder gurus leapt into cyberspace, they left all their profitable opportunities behind . . . so they actually did us regular mailorder folks a big favor. That left direct response wide open for you and me. *All we have to do is grab the secret methods used by those gurus for years to make tons of money and start grabbing a great big piece of the direct response pie for you and me.*

I've dug deep to uncover all those gurus money making secret methods.

"I want to give you the top mail order success secrets PRACTICALLY FREE! Plus a FREE DEALERSHIP paying you automatic backend commissions. Here's why: It's simple, when you make money using the secrets, I make money too."

So, I created a giant mailorder stimulus info pak stuffed with all the priceless secrets. My wife insisted I should turn it into fancy manual and sell it for at least \$99. Nope! I want to see lots of folks succeed in mailorder, but I do need to cover my printing & handing costs up front and bank on back end sales to make my profits. So . . . for you to grab these top mailorder success secrets practically free, all you do is drop \$10 (in cash, check, or stamps) into an envelope with a note requesting your "mailorder stimulus info pak."

Send it to:

MediaTek Associates, Dept. 1A,
340 Hickshollow Road, Kingsport, TN 37660

PS: This offer is limited. You no longer have to face the bitter disappointment of working so hard, renting lists, running ads, but never getting the "CASH" orders to show a profit. Hurry- send for your info pak while you still can.

A HOME BUSINESS MONOPOLY? IT'S A DONE DEAL!!

A Heads Up From: Dennis

We'd like to give you a major heads up on something that has just come upon the home-based business industry here in the United States. We guarantee that unless you are already in the program, you have never seen anything quite like this before.

As you'll soon discover when you watch our newly released DVD, this is not about some MLM or affiliate program. Moreover, it has nothing to do with cash gifting, lottery programs, retired attorney, as seen on Oprah, or any of that kind of foolishness. **In fact, this thing is so far off in a class by itself that we're not even sure what to call it!**

But it makes no difference what it's called. It's a done deal that this exotic European giant is forever going to change the face of this industry, both for the good and for the bad: **In a good way, because many individuals are going to become stone cold wealthy with this opportunity; and, in a bad way, because what we have just encountered is going to put the majority of home-based businesses out of business!**

Yeah okay, we know that's a pretty outrageous statement to make, but just check out our DVD, and we think you'll agree—this is a bona fide game changer. No wait, we take that back...**it's more like: GAME OVER!**

And to think we just about blew this thing off! Here's what happened: About two months ago a friend of ours with major home business connections called us and told us we needed to take a look at a certain company that was creating an absolute feeding frenzy in California. He told us that this company was an eight year old multinational organization out of Europe that had just recently come into the United States.

He further stated that there were less than **1200** people in this program in the US (there are now about 10,000... heading for 50M) and that if we missed this, we'd be missing the opportunity of a lifetime (how many times have you heard a line like that before?). Well, we hear this kind of stuff on almost a daily basis, so we did what all normal, jaded home-based business owners would do...we simply blew the guy off. We didn't even bother to look at his opportunity.

However, the guy is a very good friend of ours, so he kept pestering us, and finally we told him, "All right, all right, we'll take a look at your stupid old program, but don't expect us to sign-up. We have too many other things going right now, and we are way too busy to take on any new projects. **Besides, you're not going to show us anything new anyhow because we've seen it all, and we're really not interested in another typical home-based business."**

Well, to make a long story short we did look at his program. And then we looked again, and again, and we researched it and investigated it and checked it out and then we re-examined it over and over. This went on for three weeks, but at the end of that time the light bulb finally came on, and all we could do was sit there stunned and say, **"Oh my goodness, what did we just stumble across here? This is nothing short of an opportunity of a lifetime for those who join, and a home business death knell for those who don't!"**

Why are we saying that? For one thing, we don't think that any home business program can compete against the world's largest corporations. Nor do we know of any home business that has paid out 30 billion in commissions over the last 8 years. Plus, we know of no home business company that is **creating six figure monthly incomes for people in places like Hungary, Romania, Croatia, Austria, Slovakia and Bulgaria.** (Gee, isn't California's economy big than all those countries' economies put together!?) Finally, we've never seen any home business program that even comes close to being as "risk free, can't lose" as this opportunity is. (Get the DVD and you'll see why

Okay, so now we can't sleep at night!

When we finally realized what we had just discovered it was like a major cuff upside the head. So we decided to "cuff" a few other people. Would they react to the program the same way we (finally!!) had? Would they grasp the concept and want to join the program? **Would they start losing sleep over it like we were?**

In order to answer these questions, we decided to put this new opportunity up against our current "red hot" home-based business program and to present both of them side by side. Which one would people go for? The answer came back very quickly: **Not even close...our new opportunity was a hands down winner!!**

End of the Line for Home Business as Usual!??

So now we're beginning to feel that this opportunity is so powerful that over the next few years it's going to create a major dilemma for the people earning those high five figure monthly incomes in some MLM or Internet affiliate program. In other words, for the people barely making it with the flawed MLM or affiliate model programs, joining this opportunity is a no brainer. But for the fat cats, the guys that are currently doing well with some network marketing, Internet or affiliate program, it's a different story. They have a major decision to make. **They can either join this thing now with their organization or later under it!**

Fact is, it's not even an option for anyone to just blow this off. That would be financial suicide. As we said, almost every major corporation in the world is already involved with this company and more are coming on board in the coming weeks and months. **Do you think any home business, no matter how big they are, can compete against competition like that? We don't—and, if you can't beat 'em you better join 'em, or suffer the consequences.**

Okay, so where does that leave you? First, you need to be able to make an informed decision regarding this opportunity. To help you do that, we've created a presentation caed **THE DONE DEAL DVD** that explains exactly what's going on with this program. We urge you not to ignore any of this (like we initially did)! That would most certainly injure you financially. Instead, watch our DVD and do your due diligence on this one. If you are not in full agreement with us that this is the most spectacular opportunity you have ever seen, just return the DVD and we will promptly refund the 10 bucks you sent us to get it.

The bottom line is we feel sorry for all the home business owners out there who will simply ignore this presentation and consequently be hurt by this stunning turn of events. But stuff happens...that's just the way it is. Sooner or later they'll realize that the proverbial handwriting is on the wall for all MLM, network-marketing, affiliate and cash gifting program participants. Either they join this company or they're finished. We decided to join...**maybe you should too?**

[Note: What we just told you constitutes about 1/2 of our program. We led with it because we thought it was the most powerful part of our system. Well, we thought wrong. As it turns out, our members have been absolutely crushing it with the other 1/2...you know, the part we haven't even told you about yet. Of course, that's the part that includes an absolutely ingenious **automatic** way to wealth. So for the rest of the story, get the DVD and find out why **the DONE DEAL has become the REAL DEAL for making money at home!**

TEAM WORK... MAKES DREAMS COME TRUE!

Right here, you have 5 levels of Programs in JUST ONE FLYER. With every person you recruit *you will unleash the program's potential*, and YOUR NAME WILL APPEAR IN TWO PAY POSITIONS!

This is a brand new concept. Don't be like thousands of people who said they want to make more money but **never pursue** any opportunity. **Right here**, there are **5 levels of programs with "two pay position for you"**. Right here, **YOU have 5 brand new fool proof ways "plus two pay positions for you"** to make **big bucks...** Just like the heavy hitters! You cannot go wrong with any of these programs. They are perfectly designed, perfectly placed, perfectly balanced for everyone. Your participation in any or all of the programs is the surest route to a happy successful life.

This is a real solution, an innovative, rational "never been seen before opportunity". Today is the right time **to manufacture your own luck**. Take the risks, make mistakes, trust your gut; **nobody is ever successful by playing it safe!**

This is what everyone is looking for...A multiple stream of income in just one program... Where in spite of the high cost of postage, everyone can make the "big bucks".

EVERY POSITION IS A PAY POSITION

*Each and every level has five different streams of income for five people. The best "strategy" is to join the five levels, in order to "maximize benefits" or a couple of lower priced, or just one. The choice is yours! Everyone that joins this **SIMPLE, EXCLUSIVE UNIQUE AND LEGAL Program**, will be sharing it with every new member. The amount of money you could receive is mind-boggling!*

THIS UNIQUE RULE APPLY FOR ALL 5 LEVELS

If you join us...Your name goes to position #5. **This is the best part:** Every person **who joins from your flyer**, will receive their flyer with your name as #4 & #3. **TWO PAY POSITIONS** just for you from the very beginning. But...**Wait! I have more.** This program was **designed to ensure your success.** **After five people that you personally sponsor**, you will receive a second flyer with **your name in positions #5, #4, and #3...!!! THREE PAY POSITIONS! PLUS, 200 First Class Forever US Postage Stamps, over & over again!**

"HOW IT WORKS:" *If you decide to buy your "Start Up Kit" please: Send a copy of this program and the amount of money- cash or money order- to every person in position #5,#4,#3,#2, and #1, listed in the level or levels of your choice as shown on the back side of this page. On a piece of paper write: "Please, put and trade my name on your mailing list, and start promoting your flyer with my name on it" This is a Legal and Helpful Service. You are paying to each name, to be traded and put on your mailing list and you are expecting something in return. (See Title 18, Section 1302 & 13442 of the US Postal and Lottery Laws)*

Making Big Bucks...It isn't a Rocket Science, You have to create another type of income. Joining any one or all of these programs and recruiting as many people as you can, will create your own successful down-line network; then the marketing team you build is yours, and you will begin earning "substantial override commissions".

Disclaimer: This program is Legal because it involves the sale of a Start -Up Kit, Two Camera Ready Originals. It involves a payment of finder fees for others who also sell this package. This is not a Gifting Club. You are responsible for your taxes on Income earned. No refunds or adjustment can be made after processing.
