Bad Check writers courtesy of Mediatek/Johnson **3 CENT POSTAGE SCAM** is still making the rounds. Some dealers are getting these 3 cent letters with no return address!! Do you think they will pay the postage due? This scam is getting reported to the Postal Inspector by some in Mail Order. These mailers are violating Federal laws and could get prison time in addition to hefty fines. Better to not mail with 3 cents.

Mike Kelly, publisher of "Ben Frank's Almanac" and "Mail Sale Shopper" reports having the summer of 2013 as the worst ever for receiving ads for his mags and has stopped publishing these two on a regular basis.

APPEARANCES ARE EVERYTHING

Most of the Commission Circulars, Order/Acknowledgement, Name/Address label ad, typesetting ad, Report circulars, and "\$2 P&M" masthead, and "1"-2" ads I have in my Big Mails are designed by me. What people don't know is that I am home bound and disabled. I eat, sleep, and do my Mail Order in an easy chair surrounded by a laptop, office supplies, printer, etc. Appearances are not only important...they are everything in Mail Order!!

Well, that about wraps up the column for now. Please read my advertisers' offers in the "\$2 Print and Mail" adsheet. In there are valuable absolutely free offers, discounted bargains and some really useful information. Till next time, your Mail Order friend.....Jeff

The Chairman of the Federal Reserve, Ben Bernanke, is trying to stimulate the economy by printing trillions of dollars. (\$85 Billion per month) The idea is to get people to borrow money and spend more. He must have already forgotten that is how we got into this mess - borrowing too much and spending too much.

Let's have a lesson in Home Economics. Pay attention guys as this is not just for the girls. Your teacher has instructed how to make a pot of soup. Ten guests are coming. Wait, now 20 guests are coming. Make another pot of soup. Don't have the makings or the time. Instead the cook adds twice as much water. Is the soup the same? Of course not.

Let's say The Federal Reserve has 100 billion dollars circulating in the U.S. It cost a dollar to buy a bowl of soup. Then Dr. Bernanke prints another 100 billion dollars to circulate in the U.S. It now takes \$2.00 to buy the same bowl of soup. Your dollar has half its purchasing power.

That's called inflation. That is what the Federal Reserve is doing to your currency right now. Every stimulus package dilutes purchasing power like water in the soup for every person in the country. Friends, this printing of money from thin air is going to be the collapse of our dollar. That's why we should collect as many of these dollars as possible now and convert them to hard assets like gold or silver to protect our wealth.

Mailing of a \$50 program cost the same as mailing a \$5 program. One response to a \$50 program is equal to 10 responses to \$5 programs. So, if you can afford to join a \$50 Program it just makes sense to do so. When those \$50 Bills start coming to your mail box, you will definitely be staying ahead of inflation and will have the funds to invest in that precious metal...gold or silver to protect your wealth and treasures. This translates to Fast, Big Bucks. Feel confident working with THG Funding...we have been serving the home based Entrepreneur building wealth and treasures through Mail Order Programs since Feb. 2005. Build a fortune leveraging Other People's Money and Resources

HERE'S WHAT TO DO: This was designed to be Simple, Fast and Very Lucrative. Experience the Excitement of receiving \$50 Bills...CASH! PROTECT YOURSELF FROM INFLATION AND THE FAILING ECONOMIC ENVIRONMENT

There only Three Names Below...send \$50 to each member below and \$10 to the Monitor. This is a Monitored Program to protect the integrity of the program and your Rotation through the boxes. This is a Monitored Program...our Double Circles are placed over the member's names to make this virtually cheat proof. Only the Monitor can make changes without compromising the integrity. If the circles are missing or not "whole" DO NOT SEND MONEY!

When your enrollment and payment is verified the Monitor will open your account, create and send you your Master Flyer with your name in the #1 Box. When you enroll a new member their name will replace yours in the #1 Box and your name will move to Boxes #2 and #3. So, every flyer your new enrollee mails will have your name in two Boxes. That means every time your enrollee receives \$50 ... you will receive \$100 dollars. Our initial mailings received better than expected responses. How many people do you want mailing flyers with your name...there is no limit!

Starting with just one enrollee...this takes off...and you couldn't stop it if you tried.
