# Down With Monitors!!

**Please read this entire letter before making an informed decision.**

I was working on my mailing today and was getting very annoyed. I mail to help out, but being no dummy I know that the work I do profits the monitors far more than it will ever profit my family or me.

Is it so bad to say, I'm tired of working to make someone else RICH!!! I'm tired of living paycheck to paycheck, I want more out of life. And I'm tired of people telling me I need to be honest and work for them that they will help me get the things I want. I am honest!!! I'm in a program that the monitor is leaving slots open, and placing the people I find under other people. I ask you where's their honesty... their integrity? But through it all, they get the majority of the money.

So, here's my battle cry: ***Down With Monitors!!*** I'm starting a brand new program that's monitor free. Entry fees total \$49.00 and everyone's responsible for his or her own copying and mailing, and if you choose to cheat and steal then I hope you get absolutely nothing.

If You Are In Need of Ready Cash and haven't the time or energy for a second or third job, join the monitor free program and send out fliers. You might be pleasantly surprised by what you find.

### **Here's how to get started:**

Mail \$7.00 cash to each person on the list below. Place it in a folded copy of this sheet, with your name and address added to the bottom of the list. If all 7 slots are full, take the one off the top moving everyone up one slot with your name at the bottom. Add your Phone number, this way we can check on one another to keep OUR program honest. Send out 1000 or 50 a week until you get the response you want. If we all get 4 in our downline, that's \$114,688, 5 will make \$546,875, and 10 means we're all RICH!

### **We are a team working together for the benefit of all.**

1. Will print & mail 10 copies for #4, #5, #6 and #7!
2. Will print & mail 15 copies for #4, #5, #6 and #7!
3. Will provide Bonuses for #4 and print and mail 20 copies for #5, #6 and #7!
4. Will provide Bonuses for #5 and print and mail 20 copies for #6 and #7!
5. Will provide Bonuses for #6 and print and mail 20 copies for #7!
6. Will provide Bonuses for #7! & print and mail the above plan.
7. Will join and pay the fee! Also agree to follow the above plan.

**As Bonus #1: You will receive the report: "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST".**

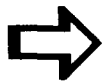

**Bonus #2: You will Receive 330 Responsive Opportunity Seekers Names!**

# The Secret To Success In A "Stay-At-Home And Make-Money-Home-Business" . . .

Whether You'd Be Content Making Up To \$50 A Month In Pocket Change Part-Time . . .

Or You'd Only Be Satisfied If Making Up To \$21,511 (Or More) A Month Full Time \$\$\$!

© MMXIV Ned Johnson - MediaTek Associates

Now you really can rake in whatever amount of money you want with your own successful home business. Dream a little and work a little and make a little extra pocket cash. Dream big and work at it big time and make money hand over fist month after month year after year!

You can at last . . .

- Finally be financially secure and you and your family set for life.
- Be debt free. No car payments, mortgage, credit card or student loan bills. All gone . . . at long last.
- Work when you want to and play all you'd ever like to!
- Retire early or end all your worries if you're already retired.

It's not only possible but very realistic with the perfect stay-at-home and make-money-home-business using the perfect solution to have your own.

Forget all the bad economic news that's holding back that entrepreneurial spirit inside you for just a few minutes. Forget the government ever helping bring that entrepreneurial spirit to you or anybody for that matter . . . ever! Face it, the only way out of the bad economy . . . that dead end job or no job rut or struggling from month to month on social security . . . lies inside you by bringing out your inner entrepreneurial spirit. By starting your own successful home based small business.

It's time to join the estimated 540,000+ others who every month are giving up on their undependable employers and getting nowhere government hand-outs and starting their own small business. And with the perfect solution, without any of usual risks involved or the financial investment normally required to start a small business.

Successful businesses always have and always will offer products and/or services. Following that simple formula guarantees your best chance in starting your own home based business. And choosing products over services affords the best way for you to get off to both the right and fast start.

Doing this may seem like an impossible task, especially if . . . you've tried time and time again to start a home based business and failed every time . . . or barely made enough to eat out occasionally at some fast food joint . . . or you're an entrepreneur at heart and would like to

start your own home operated business but don't have a clue how to go about starting a successful home business.

**Well, the steps to starting a successful home based business involve:**

- 1- Making the right choice of the quality products that are you're going to offer that give a handsome profit margin . . . little out of pocket to put a lot more back in it.
- 2- Finding one that lets you market your business in a way that accommodates your lifestyle and personality.
- 3- You being able to earn whatever and whenever you like part-time, full-time, anytime while leaving you with free time to do the things you love to do.

4- Being in business for yourself but never alone by yourself by having one that gives you access to expert advice, training help, plus lots of top notch promotional materials and a whole lot more.

5- Earnings not only from your own efforts but also earnings from helping and showing others how to start and run their own successful home business too.

Our years of researching home based businesses has lead to one that finally lives up to all of the above. It's truly a hidden gem in the home based business world that's been almost totally overlooked . . . until now. Yet it's been around for over 140 years. Proof of it's money making staying power for those who stumbled on it like our research did. It's a real honest-to-goodness good 'ole fashioned way of making money from your home. With just a little good 'ole fashioned work to make some extra cash to pay off a few bills, dine out more often, take that dream vacation, do the things you'd like to do . . . Or with a lot of good 'ole fashioned work yourself and showing other how to have their own home business, you could soon be raking in as much in a month as most people do in a year! Offering real products real people use day in and day out. With good quality, satisfaction guaranteed, products real people really like. That all adds up to the perfect solution for having your very own successful home based business.

This takes all the risk out of starting your own perfect home based business except one. The risk that you'll put this letter aside and miss out on the perfect good 'ole fashioned money making home based business for you.

So don't miss out; act right now. Fill out the request form below and get in in the mail today with \$10 for your no risk, 100% satisfaction guaranteed "How To Have A Successful Good 'Ole Fashioned Money Making Home Business" Information Package!

To sum it up you could get 813,615 new names to add to your mailing list not to mention \$1 bills!! You can now promote any program to thousands of people who paid you to add their name to YOUR mailing list and you have money for printing and mailing too!
