## **HOW DOES PRINT & MAIL ORDER?**

Some people don't seem to understand the basics of print and mail. They somehow believe a dealer will print their flyer, stuff it in an envelope, add a mailing label and put postage on it for them with just their single flyer enclosed. This would put a

dealer in debt fast at 49 cents a stamp! So what a dealer does in order to give you a good print and mail rate is to add your flyer to other people's flyers also known as co-op advertising and mail in the same envelope. They normally add a few of their own offers as well in hopes of getting some orders as well. Same goes for pre-printed postcards. A dealer will add those to the co-op advertising packet as well. This allows the customer to get their offer out at a cheaper rate than if they used their own envelope, mailing list and postage. It is a cheap way to get your offer out to a lot of people at once. Just don't expect people to be answering your offer right away! Some people sit on offers for weeks, days and months. Yes, we still get orders from our first issue which was nearly 2 years ago!

# How to Make At Least \$150 an Hour (But Probably More) In Your Spare-Time From Home!

## Latest Carpet Cleaning Breakthrough Offers Uncommon Income Opportunities To Full or Part Time Affiliates

Ever hear of DRY-TECH? If not you're in for some business revelations that could change your life. They introduced a carpet and upholstery cleaning system that's so advanced, it makes existing methods obsolete.

What does this mean to you? Plenty!! It could mean BIG BUCKS in the near future. When this revolutionary method receives widespread exposure in the marketplace, it will create a service demand unlike anything seen in the carpet cleaning business in decades. You'll find out why a little later but first lets talk about you

### Looking For a Lucrative Home Business?

No need to look any further. DRY-TECH is offering high profit dealerships to meet the unprecedented demand for this new and exciting breakthrough. If you are qualified, they will supply you with all the equipment, supplies, promotional materials and one-on-one guidance needed to make at least \$150 an hour cleaning carpets and upholstery.

This is not a franchise deal so there will be no heavy investment or kickback royalties involved. In fact, the miniscule monies involved on your part are fully guaranteed! It's as simple as this... if you become one of DRY-TECH's dealers, they will refund every cent you paid - if you fail to make a significant income or decide to drop out. Can you think of any franchise or business opportunity that guarantees your success? DRY-TECH can because we have proof! We have testimonials from enthusiastic dealers who are literally astounded with how fast and easy it is to make money in this business. You'll be able to read their statements for yourself before you make any decision.

### What's so Hot About This Business?

First we'll talk about the revolutionary new cleaning system DRY-TECH has developed. Then we'll talk about how easy it is to operate this business right from your home or apartment.

After 5 years of research and testing, DRY-TECH developed the most effective and efficient method of cleaning carpets and upholstery known to the industry. They've done independent comparisons with traditional methods and outperformed them all. DRY-TECH's patented "dry formula" effectively lifts stains and thoroughly cleans the fabric - right down to the fiber roots. It removes smudges, smears, spots and stains almost like magic. It deep cleans and restores carpets and upholstery to a brilliant new, showroom appearance. It leaves carpets spotless and plush feeling.

Once more, they will be "walk-on" dry within an hour. If you ever had your carpets shampooed, you know it sometimes takes days to fully dry. This is a major benefit for businesses because it means their showrooms and customer walk areas never have to be closed off. Of course it's a major benefit to homeowners and apartment dwellers too because no one likes to tiptoe around on wet or damp carpets. The chemicals used in the cleaning process are environmentally safe and leave absolutely no sticky residue to attract dirt. This means carpets stay cleaner longer.

### Your Job as an Independent DRY-TECH Affiliate

This is the best part of all as far as you're concerned. First the money. You can literally make as much as you want. \$150 bucks an hour is the average for most jobs. Just do the math. Work 5 hours a week and make \$750... 10 hours \$1500... 20 hours \$3000, etc. If you have multiple jobs backed up, just hire operators for \$15.00 or \$20.00 an hour to do the work. You still make a huge profit of \$130 to \$135 an hour to add to your weekly income.

The work itself may sound laborious. IT ISN'T! The hi-tech machines you'll be using are lightweight and compact. They will easily fit in the trunk of standard sized vehicles. The machines are also very maneuverable so furniture moving will be minimal. Women as well as men can easily do the work. Some of DRY-TECH's best cleaning technicians are women.

### Business Prospects Are Everywhere!

Virtually every homeowner, apartment dweller and business has carpets that need cleaning on a regular basis. Repeat business is the norm - not the exception. DRY-TECH supplies you with all the proven ads, promotional and PR materials you need to build your customer base FAST! Little or no direct selling is needed.

If you have any questions about running your business, DRY-TECH has a crack team of business experts to handle your questions - FREE OF CHARGE!

### Take This Next Important Step

This message gives you just a brief glimpse of the enormous money making potential of DRY-TECH's business. The next step is to send for our FREE 16-page report, which provides all the specifics of the business and how you can get started.

DRY-TECH has just a limited number of distributorships they will be awarding. A number of them have already been filled so you need to act fast if you want in. To avoid disappointment, fill out the enclosed coupon and get in the mail to us WITHOUT DELAY! Remember, the report is free and you are under no obligation.

# SELF FUNDING GIFTS

By far, this is the most ambitious gifting program I have ever attempted and it is a deliberate strategy to help those who have difficulty sponsoring others into a mail-order program. Before I reveal my idea let me briefly identify the enormous amount of cash gifts everyone could potentially receive.

**ID #** 12

There are 50 positions in this matrix - 40 of them offer you gifts. The first 20 positions pay you \$2.00 @ all even positions (10 gifts) and the remaining 30 positions pay you \$1.00 (30 gifts). **ALL GIFTS WILL BE MAILED EVERY FRIDAY.**

## MY IDEA - MY STRATEGY!

Those of you who are confident you can sponsor, at least, 2 people into this program to make it work simply **RETURN THIS CIRCULAR** with your completed information and \$10.00 cash in U.S. FUNDS plus 10 first class stamps. Those of you who are uncertain about sponsoring you may **SELF FUND YOURSELF** into the program two times . Simply send \$30.00 cash in U.S. FUNDS plus 10 first class stamps. Here is where my strategy comes into play. For your \$30.00 you will be placed into positions 2,3,4 (2 times) on the next 2 available circulars of the people who join the program at the \$10.00 level. In a very real sense - **THE STRONG WILL BE HELPING THE WEAK** - with success for all of us. By people buying into 3 positions it allows me to extend the program those additional 30 positions (21 - 50). In the process of time; this will mean untold millions of dollars for everyone, as all 50 levels are completed with **ID#s FROM ALL OVER THE WORLD.** If you use the **INTERNET** I'll send you **11 FREE ADVERTISING**

**WEBSITES** you can use nationally and internationally to advertise the program. Simply  this  if this is your intention. You will also receive information about low cost mailing lists, if needed. Simply  this  .

## IN CONCLUSION

Send everything to my name and address below. The low cost to join along with the help of others with sponsoring and the advertising aids make this an awfully attractive offer, in my opinion. You won't find help like this in very many mail-order programs. Take advantage of it without delay! You won't be sorry! **MY BEST! Joe P**

### One of many Success Stories! **An Absolute Goldmine!**

"I was talking to my mentor, Russ von Hoelscher, about how to make money online and offline. He said that I could not have called at a better time. He then told me and raved about a powerful program called HEALTH TO WEALTH and it is the most profitable program out there in the market today. Since Russ has been in the business of making money in direct mail and mail order for over 35 years... I listened to every word he said. He told me the product was called "Longevity Formula" and he uses it twice a day and he has never felt better. I joined the program 1 month ago and the Longevity Formula really works. Plus, I have not done any work trying to get people into the program. And, so far in only 1 month I have made \$1,500.00 (fifteen hundred bucks - more money than any other program I've been tried and failed at or been involved in and its just beginning for me... All the work is done for you. No Personal Selling, No Monthly Fees, and I never have to talk to anyone. The founder and CEO, Grace Beaman, has put together an absolutely brilliant program. You will never see anything like this Health to Wealth program. You can actually talk to her on the phone... she picks up her private line. YOU CAN TELL... She really cares about people. This is an absolute GOLDMINE!
