NEW "AUTO MAGIC" MARKETING SYSTEM

Introducing: A real innovation in Money Making Programs: An inexpensive, simple, NO work on your part, true opportunity to make money. Anybody Can Do It! **We're Introducing To You Exactly What You've Been Waiting For....**

In a "nutshell", Our **NEW** Copyrighted "Auto Magic Marketing System" can make **YOU BIG MAJOR BUX!** This is the original "Auto Magic System." We are able to bring to you the most *fantastic, unbelievable, simple, cost effective,* opportunity you will ever see! All you do is order a minimum amount of 1,000 of the "Mailing List" have them shipped to us and if you want, **YOU DO NOTHING ELSE** except sit back, have a drink & collect commission checks when we make orders! **THAT IS IT!** There are **NO** extra costs. There is **NO** hidden work. You order the mailing list and we will mail to them for you **FREE** & handle all the *inquiries, follow ups, & orders* on your behalf to build a **solid & profitable organization** for you at **NO ADDITIONAL COST!!**

Is your current opportunity costing you less than \$150 a month for the product AND for the promotion? We Doubt It!! With most programs, you have to spend at least \$100 to \$200 for the product, then you have to go & promote it and since one mailing of a thousand pieces costs \$490 in postage alone, we doubt any opportunity can match the **EXPLOSIVE POTENTIAL** we are talking about here!

Go ahead - compare this with ANYTHING else out there. You'll not find a better "hands off" Money Making Opportunity on the planet!! We know. We've seen them all & that's why we promote this one!!

HERE'S THE PLAN:

Currently - you are in some program or wish to be in some program if you can find the right one? *Correct?* This means you **SPEND** money to buy envelopes. You **SPEND** money to get prospects. You **SPEND** money for postage - **OUCH!** You **SPEND** money to have literature printed. You **SPEND** lots of time and effort putting together the mailing packages to send out. You **SPEND**, You **SPEND**, You keep **SPENDING!** Even if you are promoting on the Internet, you still need to **SPEND!!** Do you see the consistent pattern here? It is you **SPENDING & SPENDING & SPENDING**, etc., etc. The "Rule of Thumb" is that "It costs money to make money". **NOT WITH OUR NEW COPYRIGHTED AUTO MAGIC MARKETING SYSTEM!** Our system is the one & only exception to the "Rule of Thumb" you will ever find!! You will never again spend money to generate leads! To have literature printed! To stuff envelopes! To spend your valuable time & money wastefully! **NEVER AGAIN! First of all**, you'll do no mailing whatsoever! This is a completely "Hands Off" situation for you! Of course, it will be a lot of work & effort for us, *but let's face it*, this is what we do for a living & we are willing to work extra hard especially if we can help you at the same time! You already know why! **Secondly**, you'll buy no stamps. *In other words*, you'll never pay for postage again! **Third**, you'll have nothing printed. You will not have to handle or fold one piece of printed material. Are you promoting an opportunity that does not require printing, postage & mailings to promote their opportunity? We doubt it!

Fourth, & best of all, you'll do no physical or phone work at all!! **NONE!** You are not only "IN" You are "DONE"!!

Quite simply, **our new "Auto Magic Marketing System"** is going to enable you to participate and #1) Earn your sales commissions from Calagraphics, & #2) Enable you to pay for & participate in our incredibly inexpensive system & promote it all at the same time! 3) Gives you the option of having a flyer sent out for a Program that you might be promoting!!

ALL FOR NO ADDITIONAL COSTS OR EFFORT!

HERE'S THE DEAL & HOW WE DO IT:

We mail over 35,000 pieces of mail each month, **but**, we want to do more - two to three times more up to 100,000 monthly! So we obviously **NEED** mailing lists. But not just any **mailing lists!** Our cooperative mailings using "Our Secret Source of Names" are drastically increasing our business & our customers' responses! **BUSINESS IS BOOMING!** So we want to keep using them! **Here's where you come in.** Since we are already mailing out thousands of cooperative pieces every month, we can work together. Instead of us buying hundreds of thousands of mailing lists, *which doesn't help you*, all you have to do is buy a little & **we'll do all the work from there.** We'll do our regular cooperative mailings, include your flyer with your code number on it, and when someone orders, you'll be notified **daily** directly from Calagraphics. If anyone has questions, we will answer them for you. We'll pay for the *phone calls, the follow ups, the leads, the postage, the labor, the mailings, etc.* You simply make your one 1,000 mailing list purchase when you want!! **That is it!**

THIS PROBABLY SOUNDS TOO GOOD TO BE TRUE: But keep in mind that the **ONLY** reason we can make this offer to you is because we're already purchasing the mailing lists & we **NEED** them for our daily cooperative mailings. It's not like we're just starting. We've been mailing for over 30 years. Why shouldn't you be able to take advantage of this incredible mailing capacity & possibly make **lots of money** with us without doing any work? **Why not? With our new "Auto Magic Marketing System"**, we just released you from all the pressure & costs of promotion. With our new "Auto Magic" System, you are eliminating all your other current promotional expenses: #1) No Postage! #2) No Printing! #3) No Mailing! *In fact*, **NO WORK AT ALL!** You'll be automatically participating in promoting the Calagraphics "Auto Magic" Program with one simple & inexpensive 1,000 mailing list when you want. **IT IS TRULY TREMENDOUS!**

By the way, let's show you some **FANTASTIC** potential, conservative income examples of the "Auto Magic" system real quickly....**OK?** We can't guarantee what we get, but we do guarantee to try very hard! **Calagraphics has a very simple & very profitable pay structure.** Calagraphics pays out **40% COMMISSION on ALL SALES!** The commission is \$75 per SALE, PER CUSTOMER!!! If you get 10 customers, which could easily be one per month for 10 consecutive months, you would get 40% commission or \$750.00 EACH MONTH!! Just on 10! *Of course*, when they re-order, *like yourself*, you'll get 40% commission *again and again over and over.* Let's hang on for the wild ride!! Since we are going to continue mailing for you as you order 1,000 mailing lists every time, you can eventually have many **dozens of distributors** all ordering and paying you 40% commission each & every time! *By the way*, there is a reason Calagraphics has paid out gobs and gobs of \$\$\$ in commissions to their Distributors! Because what we do works and it can work for you too!! Just give it a chance!! How's about you? "Are you holding on to your seat?"

We mail over 350,000 pieces of mail & want to do twice that amount!! How many of them will be for YOU!!

Is Direct Mail Dead?? That's Nonsense!! We've never been busier!! Just go to your local Post Office and you'll be in line waiting for everyone to get stamps, mail packages and send letters!! *But not you!!* We'll be doing all of that for YOU!!! Which leads us to...

What About The Internet?? What about it?? We use it all the time!! But our product is a mailing and it must be mailed out!! You can visit our exciting website at Magicmailermoney.com to see what we have to offer!

P.S. If you want in on all of this "action," act quickly! The sooner we get your mailing list from Calagraphics, the faster we can be mailing for you to build your business!

IT'S "FIRST IN - FIRST OUT!"

P.P.S. PLEASE REMEMBER! These commissions are based on single purchases of mailing lists. Many people order more - **a lot more!**

A MILLIONAIRE'S INCOME SECRET IS IN YOUR HANDS RIGHT NOW!

Dear Friend,

A short time ago you may have received an offer in the mail to become involved in a multi-level mail marketing operation. If you decided to join, this letter is for you. If you decided not to take advantage of the fantastic money this mail order is generating, then, quite frankly, you may as well stop reading right now and throw this away. You see, this letter is only for the people who are participating. It reveals the secret of how you can triple your response and income from your mail list.

I have been involved in multi-level mail for several years and have become rich doing it. In the course of my involvement I went through the same thing you have – send out a lot of letters and get back a few responses. One day, quite by accident, I came up with a way to triple my response by using my old mail list! Let me tell you right now, I'm no genius or anything like that. I just happened to come upon this two-step method of getting more people to respond. It was completely by accident that I discovered this powerful, money-making technique. This method worked all the way down the line to the people who I had previously mailed to. Each person who had a list in turn tripled their response, which, of course, worked back up the line to me. The end result is that this two-step method has produced triple the income – **EVERY SINGLE TIME!!**

I want to impress upon you that this will generate more money than anything you have ever seen! I used this two-step method for one and half years and then retired very wealthy. I WAS ABLE TO DO THIS BECAUSE I FOUND A WAY TO TRIPLE MY INCOME FROM MY LITTLE MAIL ORDER BUSINESS. Enough of that, though, I'm sure you get the picture.

You may be content with the response you are now getting from your mailing lists. If you are, then this letter is obviously not for you. But if you would like to turn good money into incredible money, all you need to do is follow the simple directions at the end of this letter. The two-step has produced three times the money for everyone who uses it, and it will for you, too!

I am willing to bet that right now you have done at least one of the following:

- A) You answered an ad in a national magazine about making money.
- B) You received an offer in the mail about multi-level mail marketing and all the money you can make.
- C) You purchased a mail list from the company specified in one of the reports you received.
- D) You purchased at least 200 names from this company.
- E) You faithfully sent out 200 letters exactly like the one you got in the mail.
- F) Instead of getting money in the mail, you started to get more of the same thing you are trying to sell, as well as several other things similar, but not the same, as what you are trying to sell.
- G) You then came up with the brilliant idea of sending your offer to the people who are on the lists of the other offers you got, thinking they will buy your product, but you won't buy theirs.
- H) You started getting more offers from more people.

SOUND FAMILIAR?

I am now going to let you in on three secrets: FIRST – When you put your name in the #1 spot and send out, do you know what you are doing? You are "Perpetuating The Species." In other words, you are placing your name on lists that come across key people. These key people are called spotters and they are on most every list. Do you know what they do, they spot (write down) your name and send it on to a mailing list company. Then do you know what happens? The mailing list company sells your name to new opportunity seekers (just like you were when you first responded to an ad!). Guess who is making money in this? As long as you go in this circle, you will make only a little money, and the mailing list company will make a lot of money. I am sure that this is not what you are looking for to happen. SECOND – This circle is less than one tenth of one percent of your total market. In other words, it takes roughly 1,000 letters to get one customer. This figure is based on averages only, because you may be lucky and get several new opportunity seekers on one list. Don't forget though, that you will be mailing to the same people that quite a few others will be mailing to, also. These people will then get many offers in the mail and come up with the brilliant idea of sending to all the names on the lists and then guess what? They are now "Perpetuating The Species!" THIRD – And this is the one that really burned me up – is the spotters take the letter you sent them and guess what they do? They simply remove your name from whatever position it is in, and place their name in its place! They then send out to the hot, new prospects before you can, and even have the nerve to use the letter you sent them! All they have to do is white out your name and put theirs in place of it. On a 4 page letter they only need to make one copy and use your other three. This saves them a lot of money in copying and costs you a lot of money in lost capital.

By now you should realize that I devoted a lot of time to figuring out the system. When I first entered multi-level mail I thought I would make a killing. I ended up getting a lot more offers than I did selling reports. I became obsessed with finding a way to make money in this business. That is when I came across this two-step mail method. If it weren't for this method, I'd probably still be broke trying to "make it." I devoted many long months to testing, mailing, and keeping track of every single piece of mail I sent out. Every piece of mail was coded. Once I put everything together and analyzed it, I found out what was going on and what to do!

This testing and mailing took 14 months. It paid off very big for me (over \$11 million in one and one half years) because I found out HOW TO BEAT THE SYSTEM!! I turned the tables on the spotters and figured out how to get them to circulate my name! Once I figured out what to do, I never purchased a mailing list again and made more money than with any list I ever had! I also stopped the spotters from using my letters to save them money. (I also became the mailing list companies' biggest nightmare because I found out how to beat them at their own game and take their profits!)

Here are just a few things I learned:

- a) I learned how to get my name on the spotter's list which, in turn, brought me many different offers.
- b) I learned about how many opportunity seekers are in the market. (At any one given time there are between 10 and 15 million with roughly 10,000 added each week. I found my profit generator!)
- c) After initially purchasing a list, I learned how to generate my own list of names who were extremely responsive prospects. After which I did not purchase any mailing lists. These names were all free!
- d) THE MOST IMPORTANT thing I learned is how to turn the tables on the spotters and figured out how to get all those who were currently trying to sell reports, or friendship clubs, or recipes, or anything on paper turned into sales. (This is where I became rich.)
- e) I learned how to stop the spotters from using my paper to save them money, and how to prevent them from removing my name and putting theirs in its place.
- f) I learned how to use the mailing list company's services to my benefit.

In short, I developed a fail proof, foolproof method of generating big money in multi-level mail where everyone else had failed.

One other thing I found out is the testimonials that are on many of the letters out there are true. What you don't know is that these testimonials are mostly from the spotters. They are the ones who get the new names first. You get the leftovers.

This is where my two-step mail method developed from. I spent 14 months and several thousand dollars in postage and printing to test and analyze every piece of mail I sent out. This is why my two-step method earned me over \$11 million in one and one half years.

From all of this information I have written a report entitled, "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST." The people who obtain this information will have an almost "UNFAIR ADVANTAGE" over everyone else who is participating in multi-level mail. They will earn more money in three months than most people make in three years. You have the opportunity to do this RIGHT NOW!!!

You may decide that you will not take advantage of the two-step mail method, which is also a program. Putting it bluntly (my apologies for bluntness), it is of no consequence to me. I am retired. IT IS OF EXTREME IMPORTANCE TO YOU, THOUGH. If you decide not to take advantage of the two-step, I ask only one thing of you: Please keep this letter for future reference for one month. As you get various offers in the mail, think about what would happen if you use the two-step method on the people who are included in those lists. Remember – right now they are doing the same thing you are probably doing, which is either buying a list of names that are worn out, or sending their offer to every name that is on the letters they receive – Now you know what happens!

I sincerely wish you the very best of success in your mail order business!

John J. Sillen

P.S. As a bonus, you will be told how you can find the names of people to mail to who are guaranteed to buy from you. These names are free – you don't buy any mailing list or anything. These people are already in MLM, and once you are on their down list, the money that comes in is absolutely incredible!

To receive your report: "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST" send \$10 in cash and 2 First Class Stamps to the person who's name appears below. In turn, you will receive your report from that person. You will learn the secret of increasing your income using the two-step method. Along with your report you will receive full instructions.
