Start A New Mailing List And Fill Your Piggy Bank!

People all over the
country will
PAY YOU CASH
to put their names on
your new list.

Use this ad to bring
extra **CASH** straight
to your mailbox.

**ALL YOU DO
IS MAIL THIS AD!**

Here's how it works:

There are 6 names in the next
space. Send each one
\$5 wrapped in a note that says
"Put Me On Your Mailing
List".

Return this ad with \$5 Cash
and 5 FC Stamps to the
monitor for processing.

You will receive 1 Color
Master Copy of this ad with
your name imprinted in the
#1 spot and the others moved
down. You will also receive 30
Fresh Names on peel and
stick labels, and a set of Color
Teaser Labels that get your
envelopes opened fast.

Make copies of your new ad
and include them in all of
your outgoing mail.

Send some to people you
know who need extra cash.

When you get offers in the
mail from others, turn
around and send them a copy
of your new ad. This is called
reverse mailing and it works
very well.

All of the people on this ad
will be promoting their own
ads, sending them all over the
country.

Your name will be seen by
thousands.

As your name moves down
the list, more and more
people will be asking you to
put their names on your new
list. Each one will also be
sending you \$5.

**YOU GET \$5 FOR EVERY
NEW NAME!**

After you've compiled a list of
100 or more names, sell them
to mailing list companies for
even more money.

**ONCE YOU SET THIS THING
IN MOTION YOU WON'T BE
ABLE TO STOP IT!**

Disregard this offer if this ad
appears to have been altered.
We will not accept any altered
ads.

All unauthorized names will
be removed so cheating will
be eliminated.

**YOU WILL BE AMAZED AT
THE POTENTIAL OF THIS
INEXPENSIVE AD!**

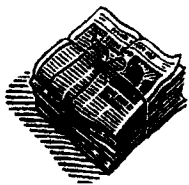

If you started in spot #1 and
mailed 100 copies, and got a
small 6% response, and
everyone who followed you
did the same, what would be
the result at spot #6?

DO THE MATH!

Good Luck.

PASSED AWAY- Edward O'Brien, Bronx, NY; Bob Edwards, Port Charlotte, FL.

OUT OF BUSINESS- Nikki Childress, due to illness, Pensacola, FL, President of Independent M.O. Dealers Association.

BACK IN BUSINESS- Lionel St. Louis- back from illness, 7536 Benson Ave., Douglasville, GA 30134. Ed Coop- back from illness, doctor told him to start work slowly for 8 months, P.O. Box 281, McArthur, OH 45651. GLB LTD.-back from an accident, P.O. Box 3143, Elida, OH 45807. He sells a great Opportunity/Publ. 9X12 Big Mail for 8 F/C stamps. Robbin LeVine says, "Very glad to be back!!", back from illness, Box 319, Reynoldsburg, OH 43068. Wish Robbin a very warm welcome.

RUNNING STRONG- Don Stover was going to publish his High Mtn. Advertiser every other month. But due to a lot of ads coming in is sticking to monthly. This publication really gets results! For sample copy of High Mtn. Advertiser send F/C stamp to: Forbes, 400 Peachtree Lane, Spartanburg, SC 29301.

TOO CLOSE FOR COMFORT- After hearing on the news of a tornado in Kingsport, TN, I wrote Ned Johnson/Mediatek, in Kingsport about it. He said a tornado passed about 10 miles from his home/office.

TWO ROY FARMER orders were returned "unable to forward, left no address". Roy told me once that he had been in Mail Order for 54 years and was 83. Ever wonder why his paste-ups were sometimes off center? He was legally blind. Put Roy in your prayers and meditations.

\$\$\$ DOLLARS IDEAS \$\$\$- Consider starting a newsletter/column for your mailings. Include something about yourself, your customers, valuable ideas, and news. People like being informed. They will keep a column circulating around longer along with any advertisement they like. A Couple of Tips- 1) Be as personable to customers as possible. 2) Make it easy for customers to order from you. Provide return envelopes, order forms, etc..

FUNNY ADSHEET NAME- "Land of Lost Socks"

3- CENT LETTER PLANS are a Federal Crime. People are being reported.

BIG MAILS AND MORE- If people put as much effort in making other ads as good as their Big Mail ads they would be more successful.

END THIS WITH A WARNING- from an MLM offer- "Warning!!! Once the money starts to come in....you can't stop it..." Here's to Good Selling my Friends, Jeff ☺

FREE UNCLAIMED MONEY
"Claim Your Share of The Millions of Dollars That Goes Unclaimed Every Year!!"
 You could be one of the millions of people who have unclaimed money coming to them but is not aware of it. Millions of people have money coming to them from unknown state sources. The money is just sitting waiting for them to claim it. All you do is sign and have notarized specific forms, and the money is yours for the claiming. Some of the state sources have a policy that if you don't claim your money in a certain amount of time, they can take full possession of it giving you no chance to claim it at all. Since time is money, let's not let this happen. I have compiled a complete listing of 50 state sources that you can contact by phone or through their websites to see if you are one of the millions of people who have money waiting for you just by signing and having the notarized specific forms. Don't wait before it's too late to act on this great financial opportunity! For your complete listing of names, addresses, phone numbers, and email addresses of the state sources who could be holding your money, send check or money order for \$12.95 to:

MPVING Program I have ever seen

Brand New... Never Done Before. Try the premium DME "buyer" mailing list, Get a FREE position in the Cash Income Multiplier

Hello!

When I read the enclosed flyer I really liked the unique concept, the low cost, and the excellent value of this new program. I also know that DME is one of the most trusted companies in the direct mail industry for over 10 years. This is a perfect "**stand-alone**" program or a great "**add-on**" to whatever you are promoting. I calculated the income potential as mentioned on the flyer and found it to be true, as follows:

You find 5 people from your mailings: $5 \times \$2 = \10 Paid by DME weekly

Those 5 each find 5 = $25 \times \$2 = \50 Paid by DME weekly

Those 25 each find 5 = $125 \times \$5 = \625 Paid directly to you

Those 125 each find 5 = $625 \times \$10 = \$6,250$ Paid directly to you

Those 625 each find 5 = $3,125 \times \$20 = \$62,500$ Paid directly to you

The total is \$69,435. But **we all know that's not very realistic**. So let's say you only earned 10% of that because the numbers just didn't work out like the example, and only 10% of the people joined at each level. With this more conservative and realistic example, you would still earn **\$6,943.00!** **That's still a good income!**

As you can see, the bigger commissions are on levels 4 and 5. This is great news for those who are interested in making thousands. There is a lot of money in this program for anyone who joins and mails it. **But you can't make money by sitting on the sidelines...** I suggest you read the entire flyer and decide for yourself. That's what I did, and I saw about ten reasons why this is going to be a great money maker.

I believe that thousands of people will join this program because it is a GREAT value and there is serious money to be earned. Everyone in direct mail needs great names and **these are worth the price!** Give them a try yourself and you will see that DME has the best quality names at any price. As a bonus, you can see the Cash Income Multiplier start to generate a steady flow of money that can grow each week and each month. **PLUS, all re-orders for more mailing names are paid to all 5 people on the list so you can build a nice residual income without being forced to purchase names every month!**

Best Wishes for Success in all that you do,

Ray Senn

WHAT ARE YOU WAITING FOR?

A MILLIONAIRE'S INCOME SECRET IS IN YOUR HANDS RIGHT NOW!

Dear Friend,

A short time ago you may have received an offer in the mail to become involved in a multi-level mail marketing operation. If you decided to join, this letter is for you. If you decided not to take advantage of the fantastic money this mail order is generating, then, quite frankly, you may as well stop reading right now and throw this away. You see, this letter is only for the people who are participating. It reveals the secret of how you can triple your response and income from your mail list.

I have been involved in multi-level mail for several years and have become rich doing it. In the course of my involvement I went through the same thing you have – send out a lot of letters and get back a few responses. One day, quite by accident, I came up with a way to triple my response by using my old mail list! Let me tell you right now, I'm no genius or anything like that. I just happened to come upon this two-step method of getting more people to respond. It was completely by accident that I discovered this powerful, money-making technique. This method worked all the way down the line to the people who I had previously mailed to. Each person who had a list in turn tripled their response, which, of course, worked back up the line to me. The end result is that this two-step method has produced triple the income – **EVERY SINGLE TIME!!**

I want to impress upon you that this will generate more money than anything you have ever seen! I used this two-step method for one and half years and then retired very wealthy. I WAS ABLE TO DO THIS BECAUSE I FOUND A WAY TO TRIPLE MY INCOME FROM MY LITTLE MAIL ORDER BUSINESS. Enough of that, though, I'm sure you get the picture.

You may be content with the response you are now getting from your mailing lists. If you are, then this letter is obviously not for you. But if you would like to turn good money into incredible money, all you need to do is follow the simple directions at the end of this letter. The two-step has produced three times the money for everyone who uses it, and it will for you, too!

I am willing to bet that right now you have done at least one of the following:

- A) You answered an ad in a national magazine about making money.
- B) You received an offer in the mail about multi-level mail marketing and all the money you can make.
- C) You purchased a mail list from the company specified in one of the reports you received.
- D) You purchased at least 200 names from this company.
- E) You faithfully sent out 200 letters exactly like the one you got in the mail.
- F) Instead of getting money in the mail, you started to get more of the same thing you are trying to sell, as well as several other things similar, but not the same, as what you are trying to sell.
- G) You then came up with the brilliant idea of sending your offer to the people who are on the lists of the other offers you got, thinking they will buy your product, but you won't buy theirs.
- H) You started getting more offers from more people.

SOUND FAMILIAR?

I am now going to let you in on three secrets: **FIRST** – When you put your name in the #1 spot and send out, do you know what you are doing? You are “Perpetuating The Species.” In other words, you are placing your name on lists that come across key people. These key people are called spotters and they are on most every list. Do you know what they do, they spot (write down) your name and send it on to a mailing list company. Then do you know what happens? The mailing list company sells your name to new opportunity seekers (just like you were when you first responded to an ad!). Guess who is making money in this? As long as you go in this circle, you will make only a little money, and the mailing list company will make a lot money. I am sure that this is not what you are looking for to happen. **SECOND** – This circle is less than one tenth of one percent of your total market. In other words, it takes roughly 1,000 letters to get one customer. This figure is based on averages only, because you may be lucky and get several new opportunity seekers on one list. Don't forget though, that you will be mailing to the same people that quite a few others will be mailing to, also. These people will then get many offers in the mail and come up with the brilliant idea of sending to all the names on the lists and then guess what? They are now “Perpetuating The Species!” **THIRD** – And this is the one that really burned me up – is the spotters take the letter you sent them and guess what they do? They simply remove your name from whatever position it is in, and place their name in its place! They then send out to the hot, new prospects before you can, and even have the nerve to use the letter you sent them! All they have to do is white out your name and put theirs in place of it. On a 4 page letter they only need to make one copy and use your other three. This saves them a lot of money in copying and costs you a lot of money in lost capital.

By now you should realize that I devoted a lot of time to figuring out the system. When I first entered multi-level mail I thought I would make a killing. I ended up getting a lot more offers than I did selling reports. I became obsessed with finding a way to make money in this business. That is when I came across this two-step mail method. If it weren't for this method, I'd probably still be broke trying to “make it.” I devoted many long months to testing, mailing, and keeping track of every single piece of mail I sent out. **Every piece of mail was coded.** Once I put everything together and analyzed it, I found out what was going on and what to do!

This testing and mailing took 14 months. It paid off very big for me (over \$11 million in one and one half years) because I found out HOW TO BEAT THE SYSTEM!! I turned the tables on the spotters and figured out how to get them to circulate my name! Once I figured out what to do, I never purchased a mailing list again and made more money than with any list I ever had! I also stopped the spotters from using my letters to save them money. (I also became the mailing list companies' biggest nightmare because I found out how to beat them at their own game and take their profits!)

Here are just a few things I learned:

- a) I learned how to get my name on the spotter's list which, in turn, brought me many different offers.
- b) I learned about how many opportunity seekers are in the market. (At any one given time there are between 10 and 15 million with roughly 10,000 added each week. I found my profit generator!)
- c) After initially purchasing a list, I learned how to generate my own list of names who were extremely responsive prospects. After which I did not purchase any mailing lists. These names were all free!
- d) THE MOST IMPORTANT thing I learned is how to turn the tables on the spotters and figured out how to get all those who were currently trying to sell reports, or friendship clubs, or recipes, or anything on paper turned into sales. (This is where I became rich.)
- e) I learned how to stop the spotters from using my paper to save them money, and how to prevent them from removing my name and putting theirs in its place.
- f) I learned how to use the mailing list company's services to my benefit.

In short, I developed a fail proof, foolproof method of generating big money in multi-level mail where everyone else had failed.

One other thing I found out is the testimonials that are on many of the letters out there are true. What you don't know is that these testimonials are mostly from the spotters. They are the ones who get the new names first. You get the leftovers.

This is where my two-step mail method developed from. I spent 14 months and several thousand dollars in postage and printing to test and analyze every piece of mail I sent out. This is why my two-step method earned me over \$11 million in one and one half years.

From all of this information I have written a report entitled, "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST." The people who obtain this information will have an almost "UNFAIR ADVANTAGE" over everyone else who is participating in multi-level mail. They will earn more money in three months than most people make in three years. You have the opportunity to do this RIGHT NOW!!!

You may decide that you will not take advantage of the two-step mail method, which is also a program. Putting it bluntly (my apologies for bluntness), it is of no consequence to me. I am retired. IT IS OF EXTREME IMPORTANCE TO YOU, THOUGH. If you decide not to take advantage of the two-step, I ask only one thing of you: Please keep this letter for future reference for one month. As you get various offers in the mail, think about what would happen if you use the two-step method on the people who are included in those lists. Remember – right now they are doing the same thing you are probably doing, which is either buying a list of names that are worn out, or sending their offer to every name that is on the letters they receive – Now you know what happens!

I sincerely wish you the very best of success in your mail order business!

John J. Sillen

P.S. As a bonus, you will be told how you can find the names of people to mail to who are guaranteed to buy from you. These names are free – you don't buy any mailing list or anything. These people are already in MLM, and once you are on their down list, the money that comes in is absolutely incredible!

To receive your report: "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST" send \$10 in cash and 2 First Class Stamps to the person who's name appears below. In turn, you will receive your report from that person. You will learn the secret of increasing your income using the two-step method. Along with your report you will receive full instructions.
