YOU'VE GOT MAIL™

(With Cash In It!)

Total Cost To Join Is Only: **\$25.00**

Everyone Pays The Same! Everyone Makes Money!

All funds are mailed directly to YOU! At last, a serious opportunity that will work for everyone. There are 10 people listed below, each one has paid to be there. This is monitored so everyone is guaranteed to receive. The total cost is \$25.00 that is divided up among these 10 people as indicated below. Don't make the mistake of thinking this is just like all the others, it's not. It's explained here:

Programs that have you cross out a name and place your name at the bottom of a list, is only a "Cheaters Paradise!" No one would know if all the funds was sent, whether it was sent to each member on the list or the one at the top (as some indicate). Here, there is one person in place that monitors the list. He/She call these members to confirm funds received. You could become a millionaire by bringing in only 4 new members.

You send each member the amount of funds in cash that is listed in front of their name (only 6 people). When you join, your name will be added in the #1 Position and all others move down one position. **FREE** means you send nothing to this member. You do not remove any names or add your name to the list, you will receive a new copy from the monitor and a product for your funds, a mailing list of high quality buyers names on peel & stick labels to mail your offers. The typesetting is our service and the names are our product. This keeps the program honest and legal. Don't take this lightly, this could make you **Rich!** Check it out right here:

Here's How The Payout Works:

Position #1, get 4 and receive \$4. **Position #2**, $4 \times 4 = 16 \times \$2 = \32 . **Position #3**, Free Space, Send No Money. **Position #4**, $4 \times 64 = 256 \times \$3 = \$768$. **Position #5**, Free Space. **Position #6**, $4 \times 1,024 = 4,096 \times \$4 = \$16,384$. **Position #7**, Free Space. **Position #8**, $4 \times 16,384 = 65,536 \times \$5 = \$327,680$. **Position #9**, Free Space. **Position #10**, $4 \times 262,144 = 1,048,576 \times \$10 = \$10,485,760$. For a total of **\$10,830,628.00!** The above figures are with a **perfect scenario**, meaning everyone gets four new sign ups. **Please note;** As you move down, you will hit positions **#8** and **#10**, guaranteed. The monitor will always remain on the page, for filling the orders and sending out your new copy. Don't put it off, Join Us **TODAY!**

Here's How To Join: Send each member listed here **The Amount** In Front of their Name & a copy of this page.

FREE means you send nothing to those members, only if you wish to send your offers, you may.

HOW TO EXPLODE YOUR SALES THROUGH CLASSIFIED ADVERTISING!

Classified Advertising is a MUST!

Classified ads, when used effectively, can be one of the quickest and inexpensive ways to increase sales and customers. A single well-written classified ad can generate hundreds of thousands in sales, but only cost you pennies to run.

Unfortunately, most people don't appreciate the pulling power of classified ads. They think classified ads are for selling cars, or finding jobs, not for expanding a business. And while it's true a classified ad is a good way to sell a car, or find a job, it is also true that classified ads can be used to launch and operate a multi-million dollar business.

Thousands of people have earned a comfortable income from classified ads - with great happiness and contentment in their own business. You can succeed too, if you make up your mind that you want to become successful using classified ads then our **NEW 2014 "HOW TO EXPLODE YOUR SALES THROUGH CLASSIFIED ADVERTISING"** Reports are for you.

® UBA / Smart Money
2015 Membership Application

The life blood of any mail-order business is a constant supply of current, up to date names and addresses of potential customers. Sending offers to people that are interested in what you are selling can make all the difference and often determines if a company succeeds or fails.

Smart Money is a program designed to secure names and addresses of people interested in making money. No recipes, no pen pals, no video games, just making money.

When you join the program you will be sent a copy of this flyer with a secret code number. For every sign up we receive with your code # you will get \$10.00 Cash. As a bonus you will also get 10 stamps. Your payments are mailed weekly and now all of your future mailings are free. Use the stamps to send out more and more flyers, you can see how this will add up quickly. Just 3 orders in any given week will pay you \$30 in cash plus 30 free stamps to produce more and more orders and on and on.

As an additional bonus new members will receive 30 names and addresses of pre-qualified mail order buyers on peel and stick labels plus a member's only price list for future orders. You can work this program by it-self or if you are in the mail order business this is a great tag-a-long flyer as its just one page and requires no extra postage to send it along.

I'm sure you have noticed by now this is not some pyramid scheme where you depend on someone else's efforts. This is a legitimate mailing program that you can build on and work for years to come. As I said in the beginning of this letter, smart money was designed to find smart, motivated entrepreneurs interested in one thing only, making money.

A MILLIONAIRE'S INCOME SECRET IS IN YOUR HANDS RIGHT NOW!

Dear Friend,

A short time ago you may have received an offer in the mail to become involved in a multi-level mail marketing operation. If you decided to join, this letter is for you. If you decided not to take advantage of the fantastic money this mail order is generating, then, quite frankly, you may as well stop reading right now and throw this away. You see, this letter is only for the people who are participating. It reveals the secret of how you can triple your response and income from your mail list.

I have been involved in multi-level mail for several years and have become rich doing it. In the course of my involvement I went through the same thing you have – send out a lot of letters and get back a few responses. One day, quite by accident, I came up with a way to triple my response by using my old mail list! Let me tell you right now, I'm no genius or anything like that. I just happened to come upon this two-step method of getting more people to respond. It was completely by accident that I discovered this powerful, money-making technique. This method worked all the way down the line to the people who I had previously mailed to. Each person who had a list in turn tripled their response, which, of course, worked back up the line to me. The end result is that this two-step method has produced triple the income – **EVERY SINGLE TIME!!**

I want to impress upon you that this will generate more money than anything you have ever seen! I used this two-step method for one and half years and then retired very wealthy. I WAS ABLE TO DO THIS BECAUSE I FOUND A WAY TO TRIPLE MY INCOME FROM MY LITTLE MAIL ORDER BUSINESS. Enough of that, though, I'm sure you get the picture.

You may be content with the response you are now getting from your mailing lists. If you are, then this letter is obviously not for you. But if you would like to turn good money into incredible money, all you need to do is follow the simple directions at the end of this letter. The two-step has produced three times the money for everyone who uses it, and it will for you, too!

I am willing to bet that right now you have done at least one of the following:

- A) You answered an ad in a national magazine about making money.
- B) You received an offer in the mail about multi-level mail marketing and all the money you can make.
- C) You purchased a mail list from the company specified in one of the reports you received.
- D) You purchased at least 200 names from this company.
- E) You faithfully sent out 200 letters exactly like the one you got in the mail.
- F) Instead of getting money in the mail, you started to get more of the same thing you are trying to sell, as well as several other things similar, but not the same, as what you are trying to sell.
- G) You then came up with the brilliant idea of sending your offer to the people who are on the lists of the other offers you got, thinking they will buy your product, but you won't buy theirs.
- H) You started getting more offers from more people.

SOUND FAMILIAR?

I am now going to let you in on three secrets: **FIRST** – When you put your name in the #1 spot and send out, do you know what you are doing? You are “Perpetuating The Species.” In other words, you are placing your name on lists that come across key people. These key people are called spotters and they are on most every list. Do you know what they do, they spot (write down) your name and send it on to a mailing list company. Then do you know what happens? The mailing list company sells your name to new opportunity seekers (just like you were when you first responded to an ad!). Guess who is making money in this? As long as you go in this circle, you will make only a little money, and the mailing list company will make a lot money. I am sure that this is not what you are looking for to happen. **SECOND** – This circle is less than one tenth of one percent of your total market. In other words, it takes roughly 1,000 letters to get one customer. This figure is based on averages only, because you may be lucky and get several new opportunity seekers on one list. Don't forget though, that you will be mailing to the same people that quite a few others will be mailing to, also. These people will then get many offers in the mail and come up with the brilliant idea of sending to all the names on the lists and then guess what? They are now “Perpetuating The Species!” **THIRD** – And this is the one that really burned me up – is the spotters take the letter you sent them and guess what they do? They simply remove your name from whatever position it is in, and place their name in its place! They then send out to the hot, new prospects before you can, and even have the nerve to use the letter you sent them! All they have to do is white out your name and put theirs in place of it. On a 4 page letter they only need to make one copy and use your other three. This saves them a lot of money in copying and costs you a lot of money in lost capital.

By now you should realize that I devoted a lot of time to figuring out the system. When I first entered multi-level mail I thought I would make a killing. I ended up getting a lot more offers than I did selling reports. I became obsessed with finding a way to make money in this business. That is when I came across this two-step mail method. If it weren't for this method, I'd probably still be broke trying to “make it.” I devoted many long months to testing, mailing, and keeping track of every single piece of mail I sent out. **Every piece of mail was coded.** Once I put everything together and analyzed it, I found out what was going on and what to do!

This testing and mailing took 14 months. It paid off very big for me (over \$11 million in one and one half years) because I found out HOW TO BEAT THE SYSTEM!! I turned the tables on the spotters and figured out how to get them to circulate my name! Once I figured out what to do, I never purchased a mailing list again and made more money than with any list I ever had! I also stopped the spotters from using my letters to save them money. (I also became the mailing list companies' biggest nightmare because I found out how to beat them at their own game and take their profits!)

Here are just a few things I learned:

- a) I learned how to get my name on the spotter's list which, in turn, brought me many different offers.
- b) I learned about how many opportunity seekers are in the market. (At any one given time there are between 10 and 15 million with roughly 10,000 added each week. I found my profit generator!)
- c) After initially purchasing a list, I learned how to generate my own list of names who were extremely responsive prospects. After which I did not purchase any mailing lists. These names were all free!
- d) THE MOST IMPORTANT thing I learned is how to turn the tables on the spotters and figured out how to get all those who were currently trying to sell reports, or friendship clubs, or recipes, or anything on paper turned into sales. (This is where I became rich.)
- e) I learned how to stop the spotters from using my paper to save them money, and how to prevent them from removing my name and putting theirs in its place.
- f) I learned how to use the mailing list company's services to my benefit.

In short, I developed a fail proof, foolproof method of generating big money in multi-level mail where everyone else had failed.

One other thing I found out is the testimonials that are on many of the letters out there are true. What you don't know is that these testimonials are mostly from the spotters. They are the ones who get the new names first. You get the leftovers.

This is where my two-step mail method developed from. I spent 14 months and several thousand dollars in postage and printing to test and analyze every piece of mail I sent out. This is why my two-step method earned me over \$11 million in one and one half years.

From all of this information I have written a report entitled, "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST." The people who obtain this information will have an almost "UNFAIR ADVANTAGE" over everyone else who is participating in multi-level mail. They will earn more money in three months than most people make in three years. You have the opportunity to do this RIGHT NOW!!!

You may decide that you will not take advantage of the two-step mail method, which is also a program. Putting it bluntly (my apologies for bluntness), it is of no consequence to me. I am retired. IT IS OF EXTREME IMPORTANCE TO YOU, THOUGH. If you decide not to take advantage of the two-step, I ask only one thing of you: Please keep this letter for future reference for one month. As you get various offers in the mail, think about what would happen if you use the two-step method on the people who are included in those lists. Remember – right now they are doing the same thing you are probably doing, which is either buying a list of names that are worn out, or sending their offer to every name that is on the letters they receive – Now you know what happens!

I sincerely wish you the very best of success in your mail order business!

John J. Sillen

P.S. As a bonus, you will be told how you can find the names of people to mail to who are guaranteed to buy from you. These names are free – you don't buy any mailing list or anything. These people are already in MLM, and once you are on their down list, the money that comes in is absolutely incredible!

To receive your report: "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST" send \$10 in cash and 2 First Class Stamps to the person who's name appears below. In turn, you will receive your report from that person. You will learn the secret of increasing your income using the two-step method. Along with your report you will receive full instructions. By ordering this report, you will have JOINED and completed step one, Of The 2 Step Method/Program. Step two is where your big money comes in!

BE SURE YOU KEEP THIS LETTER FOR FUTURE REFERENCE!!!

If you too are sick and tired of hyped-up schemes that don't work and boring products that do nothing except get stockpiled so someone else can earn commissions, then...

“Discover A Money-Making System So Powerful, It Pays You \$7,925 Every Month to Play on 31,240 Lottery Tickets, Even If Every Ticket is a Worthless Loser!”

- You Never Have To Buy or Sell Any Tickets.
- It Will Work Anywhere in the US— **Guaranteed!**
- You Can Become an Instant Millionaire, Even if You Do Absolutely Nothing!
- You Don't Need a Computer, Internet Access, or Any Experience.
- So Easy, Anyone from 18 To 80 Can Do It.

Dear Friend,

You are about to discover a money-making system so powerful, that even if it sits on your shelf and collects dust, it can make you an instant millionaire in less than 30 days. There's no guarantee of getting filthy rich overnight, but **what is guaranteed** is that if you follow the easy steps shown, **you will get paid \$7,925 every single month** to play the lottery, if you never win a cent in the drawings.

If you do win anything in the lottery, it's just gravy (pretty rich gravy I might add). You will be getting paid to play on 31,240 tickets in two of the biggest lottery drawings in the U.S. Jackpots are frequently over \$100 million dollars and if anyone of the 31,240 tickets you are playing on win, **you get to keep 10 percent of the jackpot in addition to the \$7,925 per month you are already getting paid!**

You don't need a computer to do this and it works from anywhere in the country, even places with no lottery or places that ban the lottery outright.

What you will discover has been flying secretly under the radar since 1996. I only got wind of it in August 2006. Since then, every month, like clockwork a check has shown up as promised, and it continues to get bigger and bigger each month, while I do practically nothing.

Listen to what Alice P, a 65-year-old retired grandma from Ohio has to say:

“Unbelievable! I made \$4,172 last month without budging from my chair and my income keeps growing every month!”

Or what about Scott B from Virginia who pulled down \$3,258 from his kitchen table last month:

“This is like having a second income - without having to work. By following a simple process that takes less than an hour, my monthly check just keeps growing! \$3,258 Last Month!”

Thousands of other people have been doing this since 1996, but they've just kept their mouths shut about it. Many are making a lot more money than Alice and Scott, but they don't want the whole world knowing their mailbox is an ATM machine.

Now it's time to spill the beans and let you in on the **secret loophole state agencies don't want you to know about**. The entire system is presented in a simple to understand book that you can read in one night and put into action immediately. Within 30 days you will be on your way to making at least \$7,925 per month, but at any time, you can become an instant millionaire.

This normally sells for \$77, but **if you act right now** it will be rushed out to you by first-class mail and you only have to pay to cover the costs of production and fulfillment - just \$20. What you are getting has been kept under wraps for over a decade and **is worth \$95,100 a year to you**. For less than the price of going to the movies (or renting one from blockbuster and ordering pizza) you are going to receive a powerful money making system that will pay for itself a hundred or more times over the very same month you receive it!

Now you are probably also wondering why in the world someone would share this program with you if it worked so great. After all, why would someone give something away so cheap that can put \$7,925 a month in your pocket? Wouldn't it make more sense to just keep it under wraps and just use it quietly?

The truth is that when you use this system, as you are making more money, my income grows too! Not only that, if you hit a \$100 million Powerball Jackpot (or any lottery winnings) you are going to get to keep half of it (still, \$50 million is not too shabby) and I'm going to get 10% (I'll take a measly \$10 mil). You see, **my real income comes from using the system too, not selling it**.

Now, can you see why I would just love it if you won anything in the lottery and also put insane amounts of money in your pocket each month even if you didn't win? This is win/win for both of us.

The coupon at the bottom of this page has a special reservation number on it that expires in seven days. If I do not hear from you by then, the copy sitting on the shelf reserved for you will be offered to the next person on the waiting list and you will have to order at the full price of \$77 in the future. Don't let this happen! To be safe, right now, right at this very moment, tear off the coupon below and order now!

Iron Clad 90-Day Satisfaction Guarantee!

Once you get the package, you can put it to use immediately and be on your way to making **\$7,925 a month plus** playing on **31,240 lottery tickets!** If you look it over and for whatever reason feel it's not for you, send it back. You don't even have to try and use it. But I'll go one further. If after 90 days you have tried it out and for some strange reason cannot make it work for you, simply send it back for a full refund, no questions asked. This risk-free guarantee **assures you have nothing to lose and everything to gain** but you must **take action today!**

P.S. If your order is postmarked within seven days, aside from the huge savings, you'll also get my special bonus section that shows you how to make a killing in your own home-based business. This is jam-packed, and has 3 rock solid systems I've been using for 20 years that **work even better in poor economic times, like now.**
