"The Rainy Day Cash Fund"

Everyone has heard the saying: **Save it for a Rainy Day!**
Well, what if cash was falling like it was raining,
But The Sun Was Shinning Brightly!

Cash falling into your pockets like it was raining! It could be as all funds are mailed directly to YOU! At last, a serious opportunity that could work for everyone. There are 8 positions listed below, each person has paid to be there. Our program is fully monitored, so everyone is guaranteed to receive. The total cost is \$60.00 that is divided up among these 8 positions as indicated below. Don't make the mistake of thinking this program is just like all the others, it's not. This is different, as explained here by the monitor Fantasy Masterworks:

Programs that have you cross out a name and place your name at the bottom of a list, is only a "Cheaters Paradise!" No one would know if all the funds were even sent. Here, there is a monitor in place that monitors the list. These members are called to confirm funds received before you are allowed into the program. Bringing in only 3 new members who get 3 each and receive \$82,410! Bring in More and Look Out!!!

You send each member the amount of funds in cash that is listed in front of their name. When you join, your name will be added in the #1 Position and all others move down one position. You do not remove any names or add your name to the list, you will receive a new copy from the monitor and a product for your funds, a mailing list of 90 high quality buyers names on peel & stick labels, plus our publication, a **Helpful Hints Guide** and a Report on "How To Mail To 1,000 With Ease." plus, the typesetting is our service to you. This keeps the program honest and legal, you earn a commission for the sale of the products. Check out the payout right here:

Here's How The Payout ~ Plays Out:

The figures mentioned here are with a perfect scenario, meaning everyone gets Three new sign ups for the 1st Position ONLY and with each getting their 3, this is how it could play out:

1st Position: \$15.	5th Position: \$1,215.
2nd Position: \$45.	6th Position: \$3,645.
3rd Position: \$135.	7th Position: \$10,935.
4th Position: \$810.	8th Position: \$65,610.

Grand Total: \$82,410.00! 5 Who Get 5 = \$4,397,650.00! WOW!

Isn't it funny how CASH can brighten Your Day!

Don't put it off,
Join Us TODAY!

Here's How To Join: Send each member listed here The Amount In Front of their Name & a COPY of this page. Send the Monitor this page and \$10.00 Monitor's Fee, see address in box below, Fantasy Masterworks.

A MILLIONAIRE'S INCOME SECRET IS IN YOUR HANDS RIGHT NOW!

Dear Friend,

A short time ago you may have received an offer in the mail to become involved in a multi-level mail marketing operation. If you decided to join, this letter is for you. If you decided not to take advantage of the fantastic money this mail order is generating, then, quite frankly, you may as well stop reading right now and throw this away. You see, this letter is only for the people who are participating. It reveals the secret of how you can triple your response and income from your mail list.

I have been involved in multi-level mail for several years and have become rich doing it. In the course of my involvement I went through the same thing you have – send out a lot of letters and get back a few responses. One day, quite by accident, I came up with a way to triple my response by using my old mail list! Let me tell you right now, I'm no genius or anything like that. I just happened to come upon this two-step method of getting more people to respond. It was completely by accident that I discovered this powerful, money-making technique. This method worked all the way down the line to the people who I had previously mailed to. Each person who had a list in turn tripled their response, which, of course, worked back up the line to me. The end result is that this two-step method has produced triple the income – **EVERY SINGLE TIME!!**

I want to impress upon you that this will generate more money than anything you have ever seen! I used this two-step method for one and half years and then retired very wealthy. I WAS ABLE TO DO THIS BECAUSE I FOUND A WAY TO TRIPLE MY INCOME FROM MY LITTLE MAIL ORDER BUSINESS. Enough of that, though, I'm sure you get the picture.

You may be content with the response you are now getting from your mailing lists. If you are, then this letter is obviously not for you. But if you would like to turn good money into incredible money, all you need to do is follow the simple directions at the end of this letter. The two-step has produced three times the money for everyone who uses it, and it will for you, too!

I am willing to bet that right now you have done at least one of the following:

- A) You answered an ad in a national magazine about making money.
- B) You received an offer in the mail about multi-level mail marketing and all the money you can make.
- C) You purchased a mail list from the company specified in one of the reports you received.
- D) You purchased at least 200 names from this company.
- E) You faithfully sent out 200 letters exactly like the one you got in the mail.
- F) Instead of getting money in the mail, you started to get more of the same thing you are trying to sell, as well as several other things similar, but not the same, as what you are trying to sell.
- G) You then came up with the brilliant idea of sending your offer to the people who are on the lists of the other offers you got, thinking they will buy your product, but you won't buy theirs.
- H) You started getting more offers from more people.

SOUND FAMILIAR?

I am now going to let you in on three secrets: FIRST – When you put your name in the #1 spot and send out, do you know what you are doing? You are “Perpetuating The Species.” In other words, you are placing your name on lists that come across key people. These key people are called spotters and they are on most every list. Do you know what they do, they spot (write down) your name and send it on to a mailing list company. Then do you know what happens? The mailing list company sells your name to new opportunity seekers (just like you were when you first responded to an ad!). Guess who is making money in this? As long as you go in this circle, you will make only a little money, and the mailing list company will make a lot money. I am sure that this is not what you are looking for to happen. SECOND – This circle is less than one tenth of one percent of your total market. In other words, it takes roughly 1,000 letters to get one customer. This figure is based on averages only, because you may be lucky and get several new opportunity seekers on one list. Don't forget though, that you will be mailing to the same people that quite a few others will be mailing to, also. These people will then get many offers in the mail and come up with the brilliant idea of sending to all the names on the lists and then guess what? They are now “Perpetuating The Species!” THIRD – And this is the one that really burned me up – is the spotters take the letter you sent them and guess what they do? They simply remove your name from whatever position it is in, and place their name in its place! They then send out to the hot, new prospects before you can, and even have the nerve to use the letter you sent them! All they have to do is white out your name and put theirs in place of it. On a 4 page letter they only need to make one copy and use your other three. This saves them a lot of money in copying and costs you a lot of money in lost capital.

By now you should realize that I devoted a lot of time to figuring out the system. When I first entered multi-level mail I thought I would make a killing. I ended up getting a lot more offers than I did selling reports. I became obsessed with finding a way to make money in this business. That is when I came across this two-step mail method. If it weren't for this method, I'd probably still be broke trying to “make it.” I devoted many long months to testing, mailing, and keeping track of every single piece of mail I sent out. **Every piece of mail was coded.** Once I put everything together and analyzed it, I found out what was going on and what to do!

This testing and mailing took 14 months. It paid off very big for me (over \$11 million in one and one half years) because I found out HOW TO BEAT THE SYSTEM!! I turned the tables on the spotters and figured out how to get them to circulate my name! Once I figured out what to do, I never purchased a mailing list again and made more money than with any list I ever had! I also stopped the spotters from using my letters to save them money. (I also became the mailing list companies' biggest nightmare because I found out how to beat them at their own game and take their profits!)

Here are just a few things I learned:

- a) I learned how to get my name on the spotter's list which, in turn, brought me many different offers.
- b) I learned about how many opportunity seekers are in the market. (At any one given time there are between 10 and 15 million with roughly 10,000 added each week. I found my profit generator!)
- c) After initially purchasing a list, I learned how to generate my own list of names who were extremely responsive prospects. After which I did not purchase any mailing lists. These names were all free!
- d) THE MOST IMPORTANT thing I learned is how to turn the tables on the spotters and figured out how to get all those who were currently trying to sell reports, or friendship clubs, or recipes, or anything on paper turned into sales. (This is where I became rich.)
- e) I learned how to stop the spotters from using my paper to save them money, and how to prevent them from removing my name and putting theirs in its place.
- f) I learned how to use the mailing list company's services to my benefit.

In short, I developed a fail proof, foolproof method of generating big money in multi-level mail where everyone else had failed.

One other thing I found out is the testimonials that are on many of the letters out there are true. What you don't know is that these testimonials are mostly from the spotters. They are the ones who get the new names first. You get the leftovers.

This is where my two-step mail method developed from. I spent 14 months and several thousand dollars in postage and printing to test and analyze every piece of mail I sent out. This is why my two-step method earned me over \$11 million in one and one half years.

From all of this information I have written a report entitled, "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST." The people who obtain this information will have an almost "UNFAIR ADVANTAGE" over everyone else who is participating in multi-level mail. They will earn more money in three months than most people make in three years. You have the opportunity to do this RIGHT NOW!!!

You may decide that you will not take advantage of the two-step mail method, which is also a program. Putting it bluntly (my apologies for bluntness), it is of no consequence to me. I am retired. IT IS OF EXTREME IMPORTANCE TO YOU, THOUGH. If you decide not to take advantage of the two-step, I ask only one thing of you: Please keep this letter for future reference for one month. As you get various offers in the mail, think about what would happen if you use the two-step method on the people who are included in those lists. Remember – right now they are doing the same thing you are probably doing, which is either buying a list of names that are worn out, or sending their offer to every name that is on the letters they receive – Now you know what happens!

I sincerely wish you the very best of success in your mail order business!

John J. Sillen: Deceased

P.S. As a bonus, you will be told how you can find the names of people to mail to who are guaranteed to buy from you. These names are free – you don't buy any mailing list or anything. These people are already in MLM, and once you are on their down list, the money that comes in is absolutely incredible!

To receive your report: "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST" send \$10 in cash and 2 First Class Stamps to the person who's name appears below. Cut this bottom portion off at the line above and mail along with your name, address, payment and stamps. In turn, you will receive your report from that person. You will learn the secret of increasing your income using the two-step method. Along with your report you will receive full instructions. By ordering this report, you will have JOINED and completed step one, Of The 2 Step Method/Program. Step two is where your big money comes in!

BE SURE YOU KEEP A COPY THIS LETTER FOR FUTURE REFERENCE!!!

To order your report, send \$10 Cash, with 2 First Class Stamps and the bottom portion of this letter along with your name and address requesting the report: "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST" to:

This is directed to Anyone who is Serious about making money,

No fancy words or sales talk here. Just numbers! When the numbers are big, it means money comes in bigger chunks.

NOTE: If you get in this program with me, you can attract more people because I entered the program when it was new and has some FREE Positions you do not need to pay!

One of the reasons I joined The Big 5 Plan on the reverse side of this letter, is because it uses a simple one-page flyer that is direct to the point and requires less printing and less reading.

Another reason I joined is because it's easy to see that it is directed to the best part of the market... The high dollar conscious, serious-minded money-makers who understand how to make money and work to make a profit. That's the kind of people I want to be on the same team with.

Everyone hopes to have these serious-minded moneymakers in their program because they almost always Make Money!

Since this plan is designed to attract them, you can join with the winners!

Money adds up fast when receiving \$100 for each response. The \$100 payments start to come in from your mailing, but the big numbers come from the mailing of many who follow when they mail with your name on their flyer!

Your name remains on each flyer much longer... because there are 5 positions!

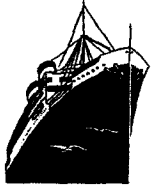

Fact: It's been proven that quitters won't pay the price for success.

This program virtually eliminates the Weak Link that causes so many programs to fail... the quitter. Quitters won't join this plan because only serious people will pay the amount of money it takes to make the big money this program offers. This ensures that everyone who joins with you in this plan, is seriously committed to get at least 5, or they would not spend the money to join in the first place!

The Big 5 Plan fills a need for those who are really serious about making money. If you are one of them, I welcome you to join with me.

Sincerely,

R J Lyons

The BIG 5 Plan

Will your ship be coming in with over \$300,000?

Sample: How this ONE-PAGE flyer could bring over \$300,000 Fast!

Mail this flyer until 5 people join. Each pays you a referral fee of \$100 = \$500	\$500
Your 5 people mail to get 5 to join = 25 people. Each pays you \$100 = \$2500	\$2500
Those 25 each sign up 5 = 125 people who each pay \$100 to you = \$12,500	\$12,500
Those 125 people each get 5 = 625 who each pay \$100 to you = \$62,500	\$62,500
When those 625 each get 5 = 3125 people who each pay \$100 to you = \$312,500	\$312,500

Add it up:
\$390,500!

- ◆ WINNERS ONLY: .. Please don't join unless you are committed to get 5. Winners never quit and quitters never win!
- ◆ BIG BUCKS: No cheap \$5- \$10 players in this program! This is for people who want to make serious money!
- ◆ NO CHEATING: Payments are made out payable to YOUR NAME only! Mailed each Friday by DM Svcs.
- ◆ MAILING TIPS: Techniques on how to get the most out of your postage!
- ◆ PRINTING: Discount Printing Service w/ free delivery. Print on COLOR paper for less than copying on white.

HOW IT WORKS: NOTE: It's okay to get more than 5, it only makes the numbers bigger, which means more \$.

You pay 5 people a referral commission of \$100 each respectively (they referred you) and \$25 for your Success Kit for a one-time total of \$525. If this is too much, suggest you do not join! It takes money to make money! When you receive your camera-ready originals, print copies and mail as many as it takes until 5 people join from YOUR mailing. (*Getting 5 is the key to success*) Then... those who join after you will be helping to make money for you! As each of them gets 5... the number of people mailing with YOUR name on their flyer multiplies! 5 Positions means your name stays on longer! Eventually, hundreds of people could be mailing thousands of flyers with your name on them!

INSTRUCTIONS: NOTE: MONEY ORDERS ONLY!

POSTCARD LEVERAGING SYSTEM

FINALLY !

*True Residual Income – New, Started March 1, 2016
Rapid Growth – 3 Options To Join
Simple, Extremely Profitable – Members Don't Walk Away*

Program Provides Postcards and Names Every Month !

**Go to www.mailboxmoneyplan.com and watch the short video, then call Mike the Monitor 260-908-4928, he will guide you on what to do.
Be sure and tell Mike you were invited by: Al Martinat - member code PLS22**

This easy to build, profitable system is exploding. How exciting to be at the start of it all !!

The example below is just the beginning at level 1.

Make \$25 a month when someone joins from your postcard and \$25 a month from those your team refers. Refer just 5 by sending this postcard and make \$125 per month. Now your 5 refers 5. That's $25 \times 25 = \$625$ plus your \$125 = \$750 a month ***residual income !***

The best part is, if all 5 of your referrals drop out, you inherit all 25 of their members as your own. Now you have a team of 25 working for you instead of 5 since your original 5 were crazy enough to drop out.

So if your 25 gets 5 each that's 125 people $\times \$25 = \3125 plus \$625 from your new 25 referrals = \$3750 a month ***residual income !!*** What other program can make you this much money when people you bring in drop out.

This alone can give you thousands of extra dollars to mail more postcards every month!! Break even with just 1 person. This great program can provide the monthly income you need to pay the bills every month for you and your family!!
