A MILLIONAIRE'S INCOME SECRET IS IN YOUR HANDS RIGHT NOW!

Dear Friend,

A short time ago you may have received an offer in the mail to become involved in a multi-level mail marketing operation. If you decided to join, this letter is for you. If you decided not to take advantage of the fantastic money this mail order is generating, then, quite frankly, you may as well stop reading right now and throw this away. You see, this letter is only for the people who are participating. It reveals the secret of how you can triple your response and income from your mail list.

I have been involved in multi-level mail for several years and have become rich doing it. In the course of my involvement I went through the same thing you have – send out a lot of letters and get back a few responses. One day, quite by accident, I came up with a way to triple my response by using my old mail list! Let me tell you right now, I'm no genius or anything like that. I just happened to come upon this two-step method of getting more people to respond. It was completely by accident that I discovered this powerful, money-making technique. This method worked all the way down the line to the people who I had previously mailed to. Each person who had a list in turn tripled their response, which, of course, worked back up the line to me. The end result is that this two-step method has produced triple the income – **EVERY SINGLE TIME!!**

I want to impress upon you that this will generate more money than anything you have ever seen! I used this two-step method for one and half years and then retired very wealthy. **I WAS ABLE TO DO THIS BECAUSE I FOUND A WAY TO TRIPLE MY INCOME FROM MY LITTLE MAIL ORDER BUSINESS.** Enough of that, though, I'm sure you get the picture.

You may be content with the response you are now getting from your mailing lists. If you are, then this letter is obviously not for you. But if you would like to turn good money into incredible money, all you need to do is follow the simple directions at the end of this letter. The two-step has produced three times the money for everyone who uses it, and it will for you, too!

I am willing to bet that right now you have done at least one of the following:

- A) You answered an ad in a national magazine about making money.
- B) You received an offer in the mail about multi-level mail marketing and all the money you can make.
- C) You purchased a mail list from the company specified in one of the reports you received.
- D) You purchased at least 200 names from this company.
- E) You faithfully sent out 200 letters exactly like the one you got in the mail.
- F) Instead of getting money in the mail, you started to get more of the same thing you are trying to sell, as well as several other things similar, but not the same, as what you are trying to sell.
- G) You then came up with the brilliant idea of sending your offer to the people who are on the lists of the other offers you got, thinking they will buy your product, but you won't buy theirs.
- H) You started getting more offers from more people.

SOUND FAMILIAR?

I am now going to let you in on three secrets: **FIRST** – When you put your name in the #1 spot and send out, do you know what you are doing? You are “Perpetuating The Species.” In other words, you are placing your name on lists that come across key people. These key people are called spotters and they are on most every list. Do you know what they do, they spot (write down) your name and send it on to a mailing list company. Then do you know what happens? The mailing list company sells your name to new opportunity seekers (just like you were when you first responded to an ad!). Guess who is making money in this? As long as you go in this circle, you will make only a little money, and the mailing list company will make a lot of money. I am sure that this is not what you are looking for to happen. **SECOND** – This circle is less than one tenth of one percent of your total market. In other words, it takes roughly 1,000 letters to get one customer. This figure is based on averages only, because you may be lucky and get several new opportunity seekers on one list. Don't forget though, that you will be mailing to the same people that quite a few others will be mailing to, also. These people will then get many offers in the mail and come up with the brilliant idea of sending to all the names on the lists and then guess what? They are now “Perpetuating The Species!” **THIRD** – And this is the one that really burned me up – is the spotters take the letter you sent them and guess what they do? They simply remove your name from whatever position it is in, and place their name in its place! They then send out to the hot, new prospects before you can, and even have the nerve to use the letter you sent them! All they have to do is white out your name and put theirs in place of it. On a 4 page letter they only need to make one copy and use your other three. This saves them a lot of money in copying and costs you a lot of money in lost capital.

By now you should realize that I devoted a lot of time to figuring out the system. When I first entered multi-level mail I thought I would make a killing. I ended up getting a lot more offers than I did selling reports. I became obsessed with finding a way to make money in this business. That is when I came across this two-step mail method. If it weren't for this method, I'd probably still be broke trying to “make it.” I devoted many long months to testing, mailing, and keeping track of every single piece of mail I sent out. **Every piece of mail was coded.** Once I put everything together and analyzed it, I found out what was going on and what to do!

This testing and mailing took 14 months. It paid off very big for me (over \$11 million in one and one half years) because I found out HOW TO BEAT THE SYSTEM!! I turned the tables on the spotters and figured out how to get them to circulate my name! Once I figured out what to do, I never purchased a mailing list again and made more money than with any list I ever had! I also stopped the spotters from using my letters to save them money. (I also became the mailing list companies' biggest nightmare because I found out how to beat them at their own game and take their profits!)

Here are just a few things I learned:

- a) I learned how to get my name on the spotter's list which, in turn, brought me many different offers.
- b) I learned about how many opportunity seekers are in the market. (At any one given time there are between 10 and 15 million with roughly 10,000 added each week. I found my profit generator!)
- c) After initially purchasing a list, I learned how to generate my own list of names who were extremely responsive prospects. After which I did not purchase any mailing lists. These names were all free!
- d) **THE MOST IMPORTANT** thing I learned is how to turn the tables on the spotters and figured out how to get all those who were currently trying to sell reports, or friendship clubs, or recipes, or anything on paper turned into sales. (This is where I became rich.)
- e) I learned how to stop the spotters from using my paper to save them money, and how to prevent them from removing my name and putting theirs in its place.
- f) I learned how to use the mailing list company's services to my benefit.

In short, I developed a fail proof, foolproof method of generating big money in multi-level mail where everyone else had failed.

One other thing I found out is the testimonials that are on many of the letters out there are true. What you don't know is that these testimonials are mostly from the spotters. They are the ones who get the new names first. You get the leftovers.

This is where my two-step mail method developed from. I spent 14 months and several thousand dollars in postage and printing to test and analyze every piece of mail I sent out. This is why my two-step method earned me over \$11 million in one and one half years.

From all of this information I have written a report entitled, "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST." The people who obtain this information will have an almost "UNFAIR ADVANTAGE" over everyone else who is participating in multi-level mail. They will earn more money in three months than most people make in three years. You have the opportunity to do this RIGHT NOW!!!

You may decide that you will not take advantage of the two-step mail method, **which is also a program.** Putting it bluntly (my apologies for bluntness), it is of no consequence to me. I am retired. IT IS OF EXTREME IMPORTANCE TO YOU, THOUGH. If you decide not to take advantage of the two-step, I ask only one thing of you: Please keep this letter for future reference for one month. As you get various offers in the mail, think about what would happen if you use the two-step method on the people who are included in those lists. Remember – right now they are doing the same thing you are probably doing, which is either buying a list of names that are worn out, or sending their offer to every name that is on the letters they receive – Now you know what happens!

I sincerely wish you the very best of success in your mail order business!

John J. Sillen: Deceased

P.S. As a bonus, you will be told how you can find the names of people to mail to who are guaranteed to buy from you. These names are free – you don't buy any mailing list or anything. These people are already in MLM, and once you are on their down list, the money that comes in is absolutely incredible!

To receive your report: "HOW TO TRIPLE YOUR RESPONSE AND INCOME FROM YOUR MAIL LIST" send \$10 in cash and 2 First Class Stamps to the person who's name appears below. Cut this bottom portion off at the line above and mail along with your name, address, payment and stamps. In turn, you will receive your report from that person. You will learn the secret of increasing your income using the two-step method. Along with your report you will receive full instructions. IF A FIFTEEN YEAR OLD BOY COULD MAKE \$71,000.00 IN FIVE WEEKS AND OTHERS \$250,000.00 AND MORE IN A FEW WEEKS, SO CAN YOU!

I have received the following information and if you will please take the time to read this, I believe it will be beneficial to you.

Greetings! I am a retired Attorney. Approximately two years ago a man came to me with a letter similar to this one. He asked me to verify that the letter was legal. I told him that I would review it and get back to him. When I first read the letter a week and a half later, we met in my office to discuss it. I told him that the letter he originally brought to me was not 100% legal and advised him to make a few small changes to the letter so that it would be legal.

I was still curious about the letter, so he proceeded to explain how it works. I thought it was a long shot and decided against participating. However, before my client left, I asked him to keep me updated as to his results. About two months later, he called to tell me he had received \$800,000.00 in cash. I did not believe him. He suggested that I try his idea and see for myself. I thought about it for a couple of days and decided that I didn't have anything to lose, so I asked him for a copy of the letter. I followed the instructions exactly, mailed out 200 copies, and sure enough, the money started arriving. It came in slowly at first, but after three weeks I was getting more mail than I could open in a day. **AFTER ABOUT THREE MONTHS, THE MONEY STOPPED COMING IN. I KEPT A PRECISE RECORD OF MY EARNINGS AND AT THE END IT TOTALED \$986,493.00!!**

I was earning a good living as an Attorney. However, as anyone in the legal profession will tell you, there is a lot of stress that comes with the job. I told myself that if things worked out, I would retire from my practice and play golf. I decided to try the letter again, but this time I sent out 500 letters. Well, three months later, my income totaled \$2,344,178.00! Can you believe it?

I could hardly believe it myself. But after talking with my old friend over lunch, we realized that what made the difference from other similar letters was the fact that there were six names on the list, not just four or five like many others. That fact alone resulted in many more returns. The other part was guaranteeing that the whole program was legal, since no one wants to participate in something illegal. It's people helping people!

I'll assume by now you are curious to know what little change I told him to make. Well, if you send a letter like this out, to be legal, you must actually be selling something if you expect to receive a dollar. I told him that anyone sending a dollar to him must include the words on the letter "Please put me on your mailing list". This is the key to the program. For the dollar you send to the six names listed in the letter, you request to be placed on a mailing list and then have the right to receive thousands of dollars.

FOLLOW THE RULES AS LISTED BELOW EXACTLY and in less than three months, you should receive over \$500,000.00 in cash. Just give it a try and see for yourself.

BE HONEST AND THIS WILL WORK FOR EVERYONE INVOLVED. THANK YOU!

This program works perfectly. I have never failed to make less than \$500,000.00 on each mailing. This is a legitimate business opportunity and a perfectly legal money generating program. It does not require you to sell anything or come into personal contact with anyone. You do not attend monthly motivational meetings. Best of all, the only time you ever leave home is to mail the letters. This can be done on your way to the grocery store.

1. Immediately send \$1.00 to each of the six names listed on page 3 and request that your name be added to their mailing list. It is this step that makes this program legal.
2. Purchase a mailing list of names from MCG Lists. Specify that you want the names of Opportunity Seekers. They sell a list of 200 Names for \$55.00. The nice part is the names will come on self-adhesive labels that just peel off and stick right on the envelopes. 500 names only \$80. This company accepts Mastercard and Visa to make it more convenient. You may also order on line at www.MCGLists.com
3. While waiting for the mailing list to arrive, remove the name from the number one position and move each name up one place (2 becomes 1, 3 becomes 2, etc.)
4. Place your name in the sixth position (an easy way to do this is to retype or print the 6 names with yours in the 6th position on a separate sheet of paper and tape it over the area where the names appear on the page.
5. After completing the above instructions, photocopy 200 copies of this three page letter.
6. Place each of your 200 (500 on your next mailing for greater revenue) copies into your business size envelopes and seal them. Go to the post office and purchase 200 first class stamps and place them on the envelopes. The post office sells stamps in rolls of 100 that are self-adhesive.
7. Once your list arrives, place the self-adhesive labels on each envelope and drop them in the mailbox. Within 20-90 days, you will receive over \$500,000.00 in CASH! Now, here is the interesting part – that's only @ the 7.5% response rate (This is very conservative. It is more likely to exceed that amount every time). The first time I participated, I kept a record of all my letters and the response rate was 9.5%.

THIS SYSTEM WAS MADE FOR THE PURPOSE OF ACCUMULATING CAPTIAL FAST AND HONESTLY. ONCE AGAIN, THIS IS NOT AN ILLEGAL CHAIN LETTER, RATHER A PERFECTLY LEGAL MAIL ORDER BUSINESS. (Refer to Title 18, Section 1302 & 1342 of the U.S. Postal and Lottery Laws). When you send 200 copies of this letter and each responding individual sends 200 copies, your multiplying dollars become a rapid FORTUNE!

The following figures are an assumption, but at a conservative rate, assume for example yours is 7.5%

When you send out 200 letters, 15 will send you \$1.00	\$15.00
Those 15 people mail out 200 letters, 225 send you \$1.00	\$225.00
225 people send out 200 letters, 3375 people send you \$1.00	\$3,375.00
3375 people send out 200 letters, 50,625 people send you \$1.00	\$50,625.00
50,625 people send out 200 letters, 759,375 send you \$1.00	\$759,375.00
YOUR TOTAL	\$813,615.00

At this point your name is dropped from the list and you have received \$813,615.00. It worked every time. On the above example you started with 200 names and a 7.5% response rate. With these results, you have to try.

I was naturally skeptical and I had received at least 35 letters similar to this one in a six months period. You probably have too. There was however, something about this one I liked. It takes less investment than MOST do and all participants receive money, not just the top ones. Anyway I mailed out 200 letters and hoped for the best. Nothing happened for 11 days, on the 12th day I received \$90.00 over the next four weeks I received \$800,000.00 in cash through mail. I am going to try it next time with 1000 letters! This should give me 75 letters at the level one and a ridiculously large number at the level six.

Food For Thought: We invest in lotteries , enter sweepstakes, clip coupons, etc. etc. we need to invest in each other. (Whether we want to admit it or not, we are our bothers keeper). And as an American we need to help each other any way we can. Maybe you don't need money so do it for a friend, a college student, your church or charitable organization, or anyone who may come to mind.

JUST DO IT(still not sure, just pray about it)!

Here are a few things I learned: 1 After you receive a mailing list, mail the letters while the list is fresh. 2. When you handle a lot of letters, you may want to invest in an electric letter opener, and 3. Be cool and keep your job until you get the cash, and then set goals.
