HOW MANY TIMES HAVE YOU CHANGED PROGRAMS, COLD HARD FACTS?

Why Do You Keep Jumping In and Out Of Different Programs every few months, Year AFTER year? Programs are not the lottery and you should not look at programs as if you're gambling in Las Vegas trying to hit the jack pot. These are some major reason why you are not successful, receiving commissions that continue to Grow and Grow Indefinitely.

Any venture worthwhile that allows you to earn large sums of money will require that you face some kind of **adversity over a period of time, indefinitely** , before you experience some kind of success. While you are going through this adversity you must not turn around, you must not quit or you will fail. **IT'S JUST THAT SIMPLE.** You must be willing to lose the money that you've invested into the program venture, to eventually gain this great prize of financial freedom. If you are not willing to do this then you should **not** get involved with the mail order business at all. You have already lost money over and over again by getting into another program and another and another, it's got to stop somewhere, it's got to stop? **NOW!**

THE DARKEST HOUR IS ALWAYS JUST BEFORE THE DAWN. The darkest hour represents the time period required to promote your program, before you start to see some kind of sun light and it may even get darker before there's light. **You must accept this fact before you start, or at some point.** In this case the sun light represents commissions that come in on a regular basis, that continue to grow larger and larger; the darkest hour is an indefinitely unknown period of time. You must have faith which is the **ASSURED** expectation of what is hoped for, in this case commissions that come in on a regular basis like clockwork for the rest of your life.

Also, you'll have to go out on the highest limb to get the best fruit on the business tree. Because that's where all of the good fruit is on most all trees, out on the furthest limb. Will the limb break when you go out on the limb? You'll have to maneuver things so that you can retrieve, get the good fruit so that the limb does not break. **The limb breaking represents quitting the program, becoming inconsistent, or inactive in the program.** You'll also need some support, such as a ladder, the ladder represents a good supportive, carrying sponsor that you can work with, long term, and communicate with regularly and provide you with some Free Advertising (**Do not join a program without one**)to help guide you to the good fruit and to hold the ladder sturdy while you get the lushes fruit which represents commissions that continue to Grow and Grow.

You'll need to join a program that has 1.Good Management, 2. Has printing and mailing services, 3.offers FREE printing and mailing initially when you join, 4.Handles your phone calls for you, 5.Has a good product but no traditional selling is required, 6.Has a post card as well as a professional flyer,7. A good supportive sponsor who also will provide you with FREE advertising, or printing and mailing when you initially join, 8.Educational Material to keep everyone that joins under you focused, encouraged and active, which means commission checks that continue to come to you on a regular basis month after month, year after year, 9.**You can pick up the telephone and talk with the Monitor any time you want. Page1**

Finally, 10. Does not have your address on the program flyer, to prevent cheaters.

It does not matter how much money you have, but more is better. Use what you can afford. Make a commitment to be persistent and consistent and to never, ever give up. If you don't have the money to join a program that you like, just save until you have enough to join.

Were the Programs that you joined in the past an "Experiment"? They should not have been, but that's why so many people lose money, they don't treat them as a real business. By joining so many programs you create your own problem. Stop jumping in and out of different Programs and stay with the same program no matter what adversities you have to face. **It's going to hurt for a while, but it won't kill you. Anything worthwhile doesn't come easy.**

Join with me in The SILVER EAGLE PROGRAM and never quit. Don't even look at another program. This is your recipe for success. Simple, but it must be applied, that's the only way it's going to work for you. Also, I don't know how old you are, but each of us is getting older every day which gives us less time to pursue any kind of business and each time you stop working a particular program and join another you have aged with less time to make the money you desire. Pretty soon you'll be too old to do anything without any good results.

Every time you join another program you increase the odds against yourself of making money. Every day Thousands of people across the United States of America each mail 200, 500, 1000, or more flyers promoting their program that competes with yours. Which is one major reason the current system fails for over 85%. The sheer numbers mailed by others work against your program and make it almost impossible to get responses no matter how good the program is.

That's why it's vital that you stay with the same program. A program that has **1.** Good Management, **2.** Has printing and mailing services, **3.** offers FREE printing and mailing initially when you join, **4.** Handles your phone calls for you, **5.** Has a good product but no traditional selling is required, **6.** Has a post card as well as a professional flyer, **7.** A good supportive sponsor who also will provide you with FREE advertising, or printing and mailing when you initially join **8.** Educational Material to keep everyone that joins under you focused, encouraged and active, which means commission checks that continue to come to you on a regular basis month after month, year after year, **9.** You can pick up the telephone and talk with the **Monitor any time you want, 10. does not have your address on the flyer, to prevent cheaters.**

AGAIN I invite you to join with me in the SILVER EAGLE PROGRAM once and for all. Write, Email, or call me for a program flyer and post card.
