# LIBERYY MAIL ORDER NEWS

Issue #13

Hello!

Welcome to another issue. Wishing everyone a healthy holiday and profitable month. Our magazine offers fair rates and great circulation in print and online. You will see issues online at [www.xlbworld.com](http://www.xlbworld.com)

This issue is very thin which is normal as December is a busy month in most everyone's personal lives. January is the beginning of the new year with lots of new programs as well as super programs that worked this year. Repeated advertising of those normally show they are stable and money is being made!

**ATTENTION ad sheet publishers!** Please send us a list of your advertisers if you want them to receive a checking copy of an issue with the ad sheet in it. This is common practice so a reminder for new publishers.

If you send in a full page ad be certain you allow 1/4 inch margin on all sides for proper scanning into our magazine. If not, you may find it has been cut off. Camera ready does mean ready to scan and we want the best for our advertisers. Please help us to help you get the best possible results.

A new year means a lot of new offers. Always read over the offer carefully and ask questions if you need clarification. Never assume as that can bring disappointment. If you join a program work it so it will work for you and your team members. It has often been said to work a program for at least six months before giving up. So often I see programs start paying off after a member drops out.

I don't know about you but I find advertising online and through postal mail works best for me. I like covering both bases.

Until next issue,

Cass

**PS** If you read this far you get one one inch camera ready in the one issue for \$3. This is limited to one issue and one ad only. Must be received by February 10th. Good way to test an ad!
