# LIBERYY MAIL ORDER NEWS

Issue #15

Hello!

Bad weather in some parts of the country have delayed mail and some mail order dealers are handling personal issues as a result of storms. We've had as much snow as usual and rain as always.

I see some new programs this issue and some others that have been around for quite a long time. Often several of the same programs appear which gives you good chance to join. Like always read the information and decide if you can afford to promote it. Nearly all programs require you to do some work.

Every issue we rent a list to send sample copies of this magazine as well as send copies to advertisers. If you are NOT an advertiser but want the next issue you can get it by sending \$3.00 by the 9th of the month. If you miss the deadline to order a copy it will be sent the following month.

**ATTENTION ad sheet publishers!** Please send us a list of your advertisers if you want them to receive a checking copy of an issue with the ad sheet in it. This is common practice so a reminder for new publishers.

If you send in a full page ad be certain you allow 1/4 inch margin on all sides for proper scanning into our magazine. If not, you may find it has been cut off. Camera ready does mean ready to scan and we want the best for our advertisers. Please help us to help you get the best possible results.

If you have an adsheet or mail order publication why not send a sample copy? We advertise in various publications. We do not exchange ads though. We carefully consider if the circulation is reasonable and rates. No way can you print and mail 25 pages first class to 10,000 circulation! It is wishful thinking on the part of the publisher. Standard mail rates are very reasonable fortunately. G & B Records does a fine job with their publications! Our ads appear there with good success.

Until next issue,

*Cass*
