LIBERYY MAIL ORDER NEWS

Issue #16

Hello!

Welcome to another issue. Our magazine offers fair rates and great circulation in print and online. You will see issues online at www.xlbworld.com

Bad weather in some parts of the country have certainly delayed mail delivery.

ATTENTION ad sheet publishers! Please send us a list of your advertisers if you want them to receive a checking copy of an issue with the ad sheet in it. This is common practice so a reminder for new publishers.

If you send in a full page ad be certain you allow 1/4 inch margin on all sides for proper scanning into our magazine. If not, you may find it has been cut off. Camera ready does mean ready to scan and we want the best for our advertisers. Please help us to help you get the best possible results.

I don't know about you but I find advertising online and through postal mail works best for me. I like covering both bases.

Am guessing lots of people have their tax return prep on their minds. Me too! I use Quick Books and Turbo Tax. Always a relief when I have filed my returns each year. So important to keep track of your expenses and income. If you don't make money within a few years your "business" may be considered a "hobby" by the tax people.

Until next issue,

Cass
